ADOPT RECORD BUDGET; UP TAX RATE 5 CENTS

THE TOWN RECORD

By MONTE DAYTON

Back after two weeks of beating the streams to death with a fly-rod and pulling the car out of mud holes on back country ruts they call roads, it seems a relief to be pushing the keys again (it says here).

Noticed right away they changed the billboard down at the entrance to Westlake that read "People Live In Westlake."

With a number in front of it now it's not quite as disconcerting.

Of all people to feud with.

EDMUND WHITNEY, police commissioner, had a package full of broken glass tossed on his front porch at 843 South Mayfair Saturday.

Insiders say this isn't the first time for such monkeyshines, either.

Do you foresee any trouble?

The newly formed Daly City Rotary club has scheduled its meetings for Wednesday at noon, the same time the local Lions club meets.

Those who are asked into both clubs will have to make the big decision.

The proprietor of one local cigarette dispensary, when asked by a customer for a pack of butts, replied thusly:

"One package of cancerettes coming up."

Broadmoor just took delivery on their new ambulance but somebody at the factory goofed or was just plain blind drunk.

The interior is painted fire engine red, enough to send even minor injury victims into a state of shock.

FRANK DAVIDSON, who runs an imbibery in Westlake, avows that this is how he got into the bar business:

When he was six weeks old he was ailing and his mother gave him whiskey and water for medicine.

"It did so much good for me then I thought I might as well enter the profession."

LOUANNE MORFORD, from San Jose State, who has done yeoman duties during her 13 week journalism internship at THE RECORD, wound up her stay here last week and is now putting in a little vacation time.

Taking up scribe duties here where Loanne left off is NANCY LAMB, another San Jose Stater.

LARRY SHAW, Daly City Eagles's delegate to the national convention in Chicago this month, isn't going back east just for the Eagles confab.

While there he'll visit his sister, MRS. ELVIRA PERETTE, of Quincy, Mass., whom he hasn't seen for 48 years.

MR. and MRS. BOB DUFFY, (he's the Superior Court Clerk), who lived in Daly City 30 years, became grandparents for the first time Wednesday when daughter, MRS. JAMES R. (Betty Jane) RIGGINS, gave birth to a 7 lb., 5 oz. daughter, DEBORAH JANE RIGGINS, at St. Joseph's hospital.

The Riggins live at Westlake on 195 Park Plaza.

IF YOU'VE got business with the city of Daly City, it'll be a lot easier from now on to get in touch with the various departments. The city recently installed a switchboard system at city hall which means that one number, PLaza 5-0850, takes care of all city calls. After calling this number, Mildred Saytor, shown at switchboard, then relays your call to the department extension. The system went into effect June 16. As yet the system isn't tied into the library, water or recreation departments but will be at a later date.

Jeff Elementary To Hold Tax Rate; Budget Up $250,000

Dispite a tentative $1,608,715 budget for the coming fiscal year, the Jefferson Elementary School district will probably be able to get along without an increase in the local property tax rate, Superintendent H. Z. Weibel said yesterday.

The record figure which the district submitted to the board last night is nearly $250,000 above the $1,377,295 budget approved for the 1953-54 fiscal year.

The board of trustees were scheduled to meet last night (Thursday) in a budget session. The tentative budget submitted was not expected to be altered to any great degree, Weibel said.

The overall school district property tax rate of $2.17 per $100 assessed valuation will remain stable, according to Weibel.

He said that income derived from local property taxes and state apportionment should be enough to finance the district, despite the fact that enrollment is expected to be 4272, an increase of 500 over the past year.

A total of 16 new teachers have been hired to handle the jump in enrollment. In addition, five new positions have been created within the regular school staff. These posts include: Additional full time physical education teacher; half-time shop teacher; half-time vice principal; half-time girl's counsellor; and half-time art teacher.

The part-time instructors will all serve at the Colma school.

Other new personnel hired for the coming school year include three more custodians, bringing the total number to 19, and two additional clerical workers.

Landscaping Of PG&E Substation Started, Rohl Tells Council

Landscaping of the PG&E substation off Market street in Daly City became the center of controversy again Monday night at the city council meeting.

A letter from the planning commission to the council asked why "nothing had been done" toward landscaping the site.

At the time PG&E made application for installation of the station, more than a year ago, they presented an artist's version of the site, showing abundant shrubbery, trees and a lawn.

Joe Rohl, manager of the Daly City PG&E branch, retorted immediately after the reading of the letter, "We haven't gone back on our word."

According to Rohl, landscaping was held up until excavation could be completed.

He said contract for landscaping the area has already been awarded and completion date has been set for July 30.

Councilman Sanford Vickers broke in to say, "Wasn't oil spread on the ground at the sub-station site? How do you propose to plant anything there?"

"Let's get together on this," Rohl answered. "What we do in the immediate area of the actual station should be at our discretion. You can be assured that we are putting in suitable shrubbery."

The council moved to inform the planning commission of the PG&E's action.

25 CENTS A MONTH

Garbage Rate Boost?

A request for a 25-cent monthly increase in garbage collection rates was presented to the city council Monday night by the Daly City Scavenger Co., Inc.

The Scavengers based the need for a higher rate on "increased operating costs, need for the replacement and modernization of equipment and the leasing and developing of a new site for garbage and refuse disposal."

The Scavengers' present five-year contract with the city, which is scheduled to run for two more years, calls for a 60 cents per month charge. Out of this the city receives seven cents for handling the Scavengers billing.

Under the present set-up, individual residents pay 35 cents a month of the fee, while the city puts up the balance. Whether the city or individual users would absorb the additional 25 cents a month was not specified in the Scavengers' proposal.

The rate boost would bring the total to 85 cents per month, plus cost of obtaining a site for dumping garbage.

Robert Hunter, accountant for the company, explained that his firm is facing loss of their three dump sites because of a new state ruling which forbids dumping on the surface unless the garbage has been cooked.

Up to now, the company has dumped its garbage at the Skyline dump, where it is consumed by hogs.

The company has been granted a continuing use permit by the county to use the present dump site, "But there's no telling how long they will allow this practice to continue," Hunter said.

Hunter, in presenting his argument before the council, explained that Daly City has the lowest garbage rate on the peninsula and is in the lower 20 per cent throughout the state, according to a recent survey by the League of California Cities.

He continued by saying "In most San Mateo county cities the rate is higher for picking up less garbage than the Scavenger company handles."

In their contract with Daly City, pick up of 40 gallons of household garbage and two cubic feet

(Continued on Page 2)

PARKING ORDINANCE UNDER FIRE AT MEETING

Daly City's ordinance against overnight parking, long a bone of contention, came in for a blasting Monday night at the council meeting as an irate citizen asked for repeal of the law.

A. J. Jakobsen, 332 Miriam street, a resident here 18 years, said that people with more than one car are victims of the law. The ordinance makes it illegal to park in the street between the hours of 1 a.m. to 6 a.m.

"The local police have been pretty good about it," he said. "But when some stinker in the neighborhood reports that your car is in the street, then they have to tag you."

"On some blocks the police will tag 19 cars in one night and none in other areas," Jakobsen argued. "With no reflection intended against the police department, I don't think this is right," he continued.

Mayor Joseph Verducci told Jakobsen that the police commission was currently studying the ordinance with an idea toward revising or abandoning it.

Police Chief Roland Petrocchi told the council that the ordinance had come up for much discussion. "I'd hate to see the ordinance go," he added.

Next to speak was police commissioner Tony Ricci, who said that the ordinance was a "great problem."

However, he was of the opinion that Daly City ought to either "enforce or repeal" the law.

He mentioned as a possible solution the issuing of overnight parking permits such as is done in San Jose. A charge of $2 is made for a month's parking permit.

Jakobsen argued that the operator of a vehicle pays enough money already without having to put up additional money for a parking permit.

The subject of Daly City's overnight parking ordinance came to a close with no decision or recommendation offered by the council.

COUNCIL OK'S PAY INCREASES FOR FIVE

Substantial pay increases for five city positions were approved by the city council Monday night.

The pay increases accompanied raises in grade for each of the positions, as recommended by the civil service board of review.

Changes made in classification of the positions were as follows: Senior stenographer, Juanita Guisti, raised from Grade 8 to Grade 9, increasing salary from $268 to $295; senior stenographer Evelyn Cahn, raised from grade 8 to grade 9, increasing salary from $295 to $310; senior accountant clerk Evelyn Mosman, raised from grade 8 to grade 10, increasing salary from $295 to $325; chief clerk water department Allen Hertel, raised from grade 10 to grade 12, increasing salary from $325 to $358; garage mechanic Joseph E. Instaschi, raised from grade 14 to grade 16, increasing salary from $395 to $436.

The council also unanimously approved creating the title of foreman for Intaschi, since another mechanic is being hired for the city garage.

Police Officer Dean Wood was elevated to the rank of sergeant and Officer Henry Sundermann was given the title of traffic inspector in other job ratings Monday night.

Arnold Edinger was named to permanent status on the street department, having completed his one-year probationary period.

CALLAN STREET WORK BEEF UP FOR HEARING

The squabble over street work in southern Daly City off Atlanta street in the Callan Heights area was set for public hearing July 26 by the city council Monday night.

Property owners in the area, Thomas Callan Jr. and Ricco Lagomarsino had been asked by the council to work out a joint agreement for street development there.

However, negotiations fell through, apparently because Lagomarsino does not plan to develop his property for several years and the street work would increase the value and raise his taxes.

Spent $4000

Callan appeared at the meeting Monday night and claimed that he had spent $4000 while trying to negotiate with the city and other inteersts to get the go-ahead on the street work.

Some bad feeling erupted at the meeting when Callan said that Lagomarsino would not negotiate with him but said he would "Get a couple of the boys on the phone."

Mayor Verducci retorted, "I dislike this insinuation. It creates an erroneous impression with the audience."

He then asked each individual councilman if they had been contacted by phone regarding the matter, and all replied they had not.

Intended No Slight

Callan rose to answer that he had intended no slight on the council, but said he was only repeating what was told him.

(Continued on Page 2)

JEFF GRADS WIN HONORS

Two graduates of Jefferson Union High school who will enter Stanford university this fall have been granted "Honors at Entrance," according to President Wallace Sterling.

Roberta Grace Taylor, 58 Bepler street, Daly City, and Wallace Irving Honeywell, 621 F street, Colma, both achieved high school grade averages of 3.80 or higher. A grade average of 4 is equivalent to an A average.

A special certificate, signed by Rixford K. Snyder, director of admissions, is sent to each honor student by the Committee on Registration and Academic Standing of the University.

Police, Fire Growth Account For Increase

A five-cent boost in the property tax rate was seen by the city council Monday night as they officially adopted the 1954-55 budget.

Purchase of new equipment and expansion of major departments resulted in a record $920,645 budget being approved. This topped by $117,984 last year's $802,660 city operating fund.

Anticipated revenue falls short about $10,000 of estimated expenditures, accounting for the five-cent jump in the tax rate. The boost will bring the rate to $1.43 per $100 assessed valuation.

Cost to a homeowner whose residence is assessed at $3000 would be $1.50. Mayor Joseph Verducci estimated that the rate increase would cost taxpayers an average of about $1.25 per home.

The proposed rate increase will bring in an additional $10,650 next year, enough to balance estimated receipts and expenditures.

Verducci, in summarizing the budget, said, "We feel every item in the budget is a necessity to adequately serve the people of Daly City."

He explained that addition of new personnel and equipment to the fire and police departments were substantial items in the near-million dollar budget.

Largest single item in the budget was $160,965, allocated to the police department. Operation and maintenance of the water department totalled $118,450, second highest item. The fire department was appropriated $83,915, ranking third in amount.

Other major items, in order of amount, were as follows: Streets, $82,000; general administration, $73,575; buildings and improvements, $48,000; garbage disposal, $45,000; municipal bonds redemption and interest fund, $39,770; recreation, $29,970; water department bond redemption and interest, $28,775; state employees retirement fund, $27,000; parks fund, $23,350.

The revision in the tax rate was not formally approved by the council Monday and will be held up until after board of equalization tax roll hearings this month.

Plan Funeral Rites For Bocci Senior Saturday Morning

Funeral services for Thomas L. Bocci, Sr., resident of Colma for 52 years, will be held tomorrow (Saturday) at 10 a.m. at Valenti Marini Perata & company, 4840 Mission street.

Bocci, 53, 117 Garden Lane, died Wednesday. He was born on July 11, 1900, in Helena, Mont., and his family moved to Colma a year later.

Managing president of the L. Bocci and Sons Monument company, Bocci was active in all youth programs in the area. He sponsored many youth softball and semi-pro teams.

The long-time resident served as president of the California Monument association. He also was a member of the Italian-American social club and Ducks Unlimited.

Bocci was a graduate of Jefferson grammar school and Heald's business college.

He is survived by his wife, Edith, and three children, Judge Thomas L. Bocci, Jr., Richard C. and Gerrold. Four grandchildretn also survive, Deborah Anne, Thomas L. III, James Randolph and Richard Anthony.

Brothers and sisters include: Mrs. Jennie Filippini, Sonoma; Mrs. Emily Antracoli, Vallejo; Mrs. Susie Luchetti, San Francisco; Joseph Bocci, Daly City; Mrs. Hilda DeMartini, San Francisco and Raymond Bocci, Daly City.

Bocci was the son of the late Maria and Leopoldo Bocci.

Entombment will be at the family monument at the Bocci & Sons Monument company. A rosary will be said at 8:30 p.m. today, Friday.

Politeness, Bum Checks Earn Polite Robber $15

The dubious distinction of being invited to "come home and have a drink" by a "customer" who passed him three bum checks was enjoyed recently by Gus Curusis, owner of the Evergreen Market here.

Police are looking for Harry B. Welch who walked off with $15 worth of groceries, beer and change from Curusis' market, 399 Evergreen avenue, on June 5 and 7.

Of the two fictitious addresses on the checks, police found the first to be a vacant lot and the second, the residence of another family.

Both Curusis and his wife identified Welch in police pictures. Welch, just released from the county jail on April 25, had been convicted on two charges of bum check passing in 1953.

Jeff School District Grants Salary Hikes

The Jefferson Elementary School district granted a $350 yearly salary increase to Fred Schweickhardt, director of education, and to Harry Aronson, coordinator of business affairs at the regular meeting on June 24, according to Superintendent H. Z. Weibel.

Custodial, transportation, maintenance and full-time clerical workers also were granted salary increases. The hike will amount to five per cent.

Public hearing on the 1954-1955 school district budget was set for August 5. The hearing will be held at 7:30 p.m. in the Administration building.

The board also awarded the painting contract for Colma school to the Hanson company. The low bid was for the amount of $677.

Also on the agenda was the signing of a resolution accepting land purchased from Henry Doelger, Inc.

A letter from D. H. Olson of the Hartford Fire Insurance company was read. It informed the board of the 43 to 39 per cent deduction offered by his company. The district maintains a total of $2,525,000 insurance.

New teachers hired by the board are: Mrs. Marjorie Rich, grade 4, taught at Pacific Grove; Mrs. Edna Morrison, grade 2, San Francisco State college; Charles Morrissey, grade 4, San Francisco State college;

Miss Beverly Peira, grade 4, Dominican college; Mrs. Kathryn Tobkin, home economics. St. Benedict college, Minn.; Mrs. Jean Fletcher, grade 2, San Francisco State college;

Mrs. June Bartell, grade 2,

(Continued on Page 2)

COUNCIL VETOES SUPERVISOR POST FOR LOCAL CENTER

The city council Monday night turned down recommendation of the civil service board of review that a position of community center supervisor be established.

Mayor Joseph Verducci led off the argument against creating the post, saying it would "In effect establish the job of vice recreation director."

According to the civil service board recommendation, the center supervisor would operate from the building and would be on hand at all times to supervise activities. At present part-time recreation department employees handle these duties.

Edmund Cavagnaro, head of the recreation commission, asked "How come the civil service board is making recommendations for the recreation department?

(Continued on Page 2)

Boost In Garbage Rate Is Forseen

(Continued from Page 1)

of garden trimmings each week is called for.

Hunter said that 32 gallons is the average pick-up in other cities, while many of the companies "pick up no garden trimmings."

The accountant also cited Daly City Spring Clean-up Week as a cost to the company which should be taken into consideration in the rate adjustment."

The council made no recommendation on the request, but held the matter up for further study.

Street Work Beef Gets Hearing

(Continued from Page 1)

Later in the evening the city attorney drafted a resolution setting July 26 as date for public hearing on formation of a street assessment district in the area concerned.

The council also set three other hearings for July 26.

They were: Re-zoning land in the Vista Grande tract on Como street from R-2 to R-3; zoning unclassified land bounded by Hillside, Crocker Estates and Edgewood Terrace to C-2, re-zoning parts of Teresa Terrace from R-1 to C-1. The planning commission has recommended approval of the zoning changes.

OK Motel

In an informal vote this week, the council approved granting a permit for construction of a motel on the Thornton terrace, across from Lake Merced golf course on Junipero Serra boulevard.

Zoning changes established by ordinance Monday night were: zoning lot 36, block A, Mission street tract to R-3; zoning lots 1 and 2, block 24, Hillside boulevard, to C-1; zoning lots 3 and 4, block 24, Hillside boulevard, to R-3.

The council also passed an amendment to an ordinance Monday which gives the city power to regulate all building projects, issue permits, collect fees and provide penalties.

Prior to passing the amendment, building regulations had been incorporated in several different statutes.

Vale Zoning Denied

On motion of Councilman Edward Dennis, the council unanimously denied the controversial Vale street rezoning.

Fred Pasero had sought to have a section of land on Vale street re-zoned from R-1 to C-1.

In a heated council session two weeks ago, neighbors in the area argued that it would be detrimental to the community to have a business in the area.

CAR BOOSTERS HIT WESTLAKE

Car "boosters" with a penchant for hub caps off '54 model Oldsmobile continued to operate last weekend in the Westlake area.

Lloyd Conway, 74 Crestwood drive, apt. 9, reported to Daly City police that sometime between 12 midnight and 10 a.m. Friday someone made off with four hub caps from his vehicle, which was parked in front of his residence.

Local Police Lieut. Roy Beecher said that there had been a wave of similar thefts in the Daly City area, with the '54 model vehicles being the object of attack.

Jeff School District Grants Salary Hikes

(Continued from Page 1)

taught Sunnyvale, Oakland and Oregon; Mrs. Alice Eachus, grade 3, San Francisco State college; Mrs. Carol Cherry, grade 3, University of California;

Mrs. Suzanne Benson, grade 3, Willamette university; and Hillard Alfson, principal, Dixon.

Letters of resignation were read from Mrs. Edith Mette, Mrs. Bette Brenner and Mrs. Margaret Herzer.

At the close of the meeting special recognition was given by the board to Mr. Andrew Van Der Werff who is retiring from board duties.

Council Vetoes Supervisor Post

(Continued from Page 1)

Aren't they stepping kind of fast?"

He claimed that the proposed position was not mentioned in the recreation commission's budget submitted to the council.

City Administrator Dan Andersen disagreed, replying to Cavagnaro that the specific job was mentioned in the budget.

"But we never really completed working out details of the budget," Cavagnaro argued.

The council voted unanimously against establishing the community center supervisor post.

Quick Thinking By Postmaster's Wife Helps Save Infant

Mrs. Vi Murphy, wife of Daly City's new postmaster, Vince Murphy, starred in a heroic attempt that saved a baby's life here Thursday afternoon.

Mrs. Murphy, of 516 Midway drive, was called upon by her neighbor, Mrs. Donald Lamanti, 515 Midway, when a 21-month-old baby visiting at the Lamanti home with its mother, suffered an attack of convulsions.

Sticking her fingers into the child's mouth, the postmaster's quick-thinking wife kept the baby from swallowing its tongue, until Officer Gale Galusha of the Broadmoor police, who answered the emgency call, rushed the child to Junipero Serra hospital.

The young victim was Micheal Zgraggen, son of Mrs. Helen Zgraggen, of San Francisco, who was visiting at the Lamanti home when the attack came. The child was later released from the hospital to the care of the family's physician.

TWO LOCAL MEN PASS STATE BAR

Two localites are now members of the California State Bar as a result of the April bar examination. John S. Carroll, 1148 Nimitz drive, Broadmoor, and Kenneth W. Hoagland, 20 Forest Grove drive, Westlake, were among the 323 persons who passed the exam.

A total of 47.4 per cent of the 682 who took the test were successful.

Among those taking the examination for the first time were 79 recent graduates of accredited law schools in California. Sixty-three of these, or 79.7 per cent, received passing grades, according to the announcement.

LAW IN ACTION

KEEP RECORD OF COMMUNITY AND SEPARATE PROPERTY

Californians take a pride in their community property system. It makes a man and wife partners in what either one earns.

Separate property is what either one had before marriage, or received afterwards by gift or inheritance.

You ought to keep track of both kinds of property in your family, possibly through separate bank accounts or records.

For otherwise the two kinds of property may become "comingled" with confusing results. Suppose your father wills you his house. The house is your separate property. But suppose you sell it, put the money in a joint account and then make many other deals. After a few years all trace of the original house money may be lost. Though it may be your separate property, you may not be able to prove it. Or if you do, it may be costly. What happens?

1. In allowing your separate property to become community property, you may have made a gift to your husband or wife. You may have to file gift tax returns and pay gift taxes.

2. Should a divorce occur, one may lose some of his property when the court divides the couple's goods.

3. Other people may rely upon a record of property holdings in their dealings, only to find out to their loss that they were mistaken.

4. Without proper records, property may go to heirs who would not otherwise get it, especially when a person dies without a will. Community property goes to one's heirs through one line of kinship, but separate property through another.

5. You may forfeit your right to will some of your separate property as you like if it is so co-mingled with community property that a court cannot tell which is which.

It is so much simpler and more satisfactory to keep records of separate and community property.

NOTE: The State Bar of California offers this column for your information so that you may know more about how to act under our laws.

CONSTRUCTION COMPANY PREPARES TO WIDEN SOUTH SIDE OF ALEMANY

Work on Alemany signals proceeded right on schedule this week and engineers said today that the three-phase traffic control system in the heart of Westlake would be ready for operation by late August.

Long sought by residents of Westlake because of the hazardous crossing on Alemany near the shopping center, the signals are being installed at a cost of $85,155.

Paving and widening of the north side of Alemany has been completed and installation of subbase and paving on the south side is now underway.

Installation of islands and left-turn layovers is next in the order of projects.

R. L. Richardson, district traffic engineer, said the highway department is still awaiting delivery of the intricate controllers from the east which will operate the signals.

The two intersections will be controlled by one inter-connected master controller which is to be actuated by traffic flow.

The signal system is an innovation in northern California traffic control. Inter-connected systems have been used in this area before on two phase signals, but never before on the three-phase mechanism.

The signals are designed to maintain a flow of traffic at a progressive rate.

Richardson said there would be a great overall time saving in flow of traffic and a tremendous increase in safety.

The signals will regulate movement of the approximately 115,000 vehicles a week which use the Alemany extension.

According to traffic engineers survey, approximately 40,000 cars use the extension on Saturday and Sunday, while 14,500 autos travel the route daily during the weekdays.

Contractor on the project is L. C. Smith Co.

Announce More Plans For Kids Fishing Day

Further plans for the Daly City-Colma Lions sponsored "Fishing Day" for kids July 14 were announced this week by President Joseph Belli Jr.

The Lions will furnish free transportation, with youngsters to be picked up at 8 a.m. at three locations, the Broadmoor community center, Daly City community center, and the Westlake school.

Belli said that Marin Dell company will supply the free milk for the young fishermen. Ice cream will also be provided.

Belli said that the children should bring their own lunches and fishing lines, but added that 60 free fishing outfits would be available to those without equipment.

Hal Willis is chairman of the event.

BILLION POUNDS OF NICKEL

More than one billion pounds of nickel were delivered to the free world by International Nickel, world's largest producer of the metal, in the four-year period, 1950 through 1953.

WESTLAKE BOY RALLIES FROM DANGER STATE

Three-year-old David Pollak, son of Mrs. Maxine Pollak, 99 Fleiderest street, Westlake, is reported to be in good condition by attendants at Mt. Zion hospital in San Francisco.

The boy, who had been on the critical list, suffered a basal skull fracture Monday when he fell from a moving car being driven by his mother.

His mother, 24, told police that as she made a left turn from 43rd avenue onto Rivera street, the door flew open and David fell from the car.

Pin Ball Machines Pose Problem For Local Council

Do pin ball machines have a detrimental effect on Daly City's high school youngsters?

According to Stanford Hannah, Jefferson Union High School superintendent, they do.

Hannah, in a letter to the city council Monday night, said that the machines located across the street from Jefferson high "had a detrimental effect" on the students and asked that the council take this into consideration when the time came for renewal of licenses on the machines.

Police Chief Roland Petrocchi arose to say, "We've investigated Hannah's complaint and thought we would contact the owner of the establishment about removing the machines."

City Administrator Dan Andersen interjected, saying that "the matter should be taken up by the police commission. He explained that there is no ordinance governing placement of the machines near public schools and suggested that the commission" set a definite policy" regarding them.

The council moved to follow Andersen's recommendation.

WESTLAKER FINED $50 FOR DUMPING RUBBISH ON BEACH

John Heflin, 149 Westdale avenue, Westlake, pled guilty in municipal court last week to charges of dumping rubbish at Thornton beach.

Judge Thomas L. Bocci sentenced Heflin to 10 days in the county jail, suspended on condition that he pay a fine of $50.

OBITUARIES

Alex Johnson

Funeral services were held Saturday at 1 p.m. for Alex Johnson, longtime Daly City resident. Johnson, roofing contractor who lived at 142 Winchester street, died here June 24.

Services were conducted at Lasswell's funeral chapel under the auspices of the George Washington Lodge No. 525, F&AM. Entombment was at Olivet Memorial Park.

Johnson is survived by his wife, Aline M. He is the father of David M., Mrs. Aline Lindquist and Mrs. Alice Ames. Also surviving are two brothers, Melvin and Oscar, two sisters, Mrs. Mildred Snelson and Mrs. Lillian Dunn, and four grandchildren.

Johnson was past Toparch of Sciots Pyramid No. one, and was a member of Islem Temple and Odin Lodge No. 393 Ioos.

Rosetta Miller

Funeral services were held Monday, at 8:30 a.m. at Lasswell's for Mrs. Rosetta Miller, a resident of Daly City for 37 years. Mrs. Miller died on June 25 at her home at 72 Vendome avenue.

She is the mother of William J., Mrs. Grace Lunn and the late Charles H. Mrs. Miller leaves two sisters, Mrs. Kate McCarthy and Mrs. Dilmartin and two grandchildren.

Mrs. Miller is a native of Longford county, Ireland.

Interment was at Holy Cross cemetery. A Requiem High Mass was said at Our Lady of Perpetual Help church Monday at 9 a.m., and a Rosary was said at 8 p.m. Sunday.

May Machado

Mrs. May Machado, 56, 343 Woodrow street, died Sunday at her home following a long illness.

A native of Ireland, Mrs. Machado had lived here for one year.

Survivors include her husband, Joseph W.; three children, Mrs. Frances Heagney, Harvey Russell and Mrs. Jane Hooper, and six grandchildren.

She was past chief of Haven Temple No. Nine, Pythian Sisters. She was also past regent of Nomand Avrudaka and a member of Golden Star Santha No. six.

Funeral services were held Wednesday at 11 a.m. from W. C. Lasswell and company chapel here. Interment was at Cypress Lawn Memorial park.

DALY CITY MEDIC OPENS NEW OFFICE IN SHARP PARK

SHARP PARK—Dr. E. Kenneth Harris, Daly City physician, has opened new offices here for general medical practice and maternity cases.

The new establishment, located at 217 Paloma avenue, will include offices for a dentist and Dr. Robert Rockstein, optometrist, who will become associates of the physician.

Dr. Harris, a veteran of World War II and the Korean campaign, will maintain office hours at 8:30 a.m. to 6 p.m. daily, including Sunday.

He and his family will become residents of Linda Mar on completion of a house being built here for them.

GROWN OUT OF THE PART-TIME STAGE

How much longer will it be before the city hires a full-time engineer?

We understand such a move is in the offing, but how far off?

As the situation now stands the City of Daly City retains an engineer on a fee basis.

Without reflecting on a man's right to get ahead in the world, this same engineer serves as engineer for two large private companies and the local sanitation district.

No one can serve this many masters and still have the city foremost in mind.

In addition, the fee set-up, although in line with regular engineering fees, still runs into an exorbitant sum for a city.

The money that is paid to an engineer on a fee basis, which, between the sanitation district and the city runs into thousands of dollars every month, could very well be used as salary for a full-time public servant.

There'd still be money left over.

A city the size of Daly City has grown out of the part-time stage and the sooner a full-time engineer is engaged the better.

BUCK PASSING: A PRIME EXAMPLE

The latest efforts of Joint Highway District 10 to pass the buck to Daly City on maintenance of Junipero Serra boulevard is typical of the highway district's sleazy type operation.

The district is asking that Daly City take over maintenance, amounting to thousands of dollars a year, of the section of Junipero Serra within the city limits.

City Administrator Dan Andersen's charge that such action is "inequitable" is putting it politely.

The boulevard is travelled by some 30,000 vehicles per day.

Out of this total, less than five per cent are Daly City motorists.

We can feature nothing more intolerable than the citizens of Daly City, who comprise a microscopic percentage of the traffic using Junipero Serra, financing completely the upkeep of the highway within the city limits.

Are the highway district board of directors so naive as to think Daly City should accept responsibility on a job that is legally the district's, or is this just another example of inept operation on the part of the district?

At any rate, we hope the officials of Daly City will put up enough noise in the right direction to keep this unfair burden from being foisted on the people of Daly City.

Letters To The Editor

Jefferson High Pep Club Expresses Appreciation

Dear Sir:

As treasurer of the Ten Little Indians, the Pep club of Jefferson High school, I would like to thank you for sending the club the paper.

It has helped us increase our funds which puts its money into good use. I hope we have helped you get some subscribers.

I hope the same policy follows through the next term.

Thank you again,
Faye Orovitz,
Treasurer

DALY CITY TO FIGHT SERRA MAINTENANCE

Daly City prepared to fortify itself this week in the battle to determine whether the city will have to take over maintenance of the one-mile section of Junipero Serra boulevard within the corporate limits.

In a letter to the city council Monday night, Joint Highway District No. 10 asked that Daly City take over complete jurisdiction of the 4500 feet of Junipero Serra lying within the city limits.

District Built Serra

The highway district was responsible for construction of Serra boulevard and up to now has been responsible for maintaining the highway.

Daly City's part in keeping the highway in shape has been limited to sweeping the boulevard.

The highway district's motive in turning over jurisdiction of Serra to the city is not definitely known, but some sources believe the district is ready to fold and wants to rid itself of all obligations before doing so.

Cost In Thousands

Cost to the city of Daly City for maintaining Junipero Serra boulevard would run into the thousands of dollars, City Administrator Dan Andersen said, "It's difficult to say exactly how much it would cost to maintain Serra but it would be impossible for Daly City to undertake."

Andersen said he plans to contact official representatives of South San Francisco, Millbrae and San Bruno, which also have sections of the highway within their corporate limits.

"We've got to decide if we're going to let the district arbitrarily pass a resolution making us financially responsible for maintaining the highway."

Ramming Down Throats

Andersen charged that the district was trying to "ram this down our throats."

"I think we should have been consulted before this action was taken," he said.

The city council has also taken the stand that it is beyond the city's financial ability to maintain the road. Monday night they referred the district's request to Andersen for action.

"Junipero Serra should be maintained by the state or the county and not the municipalities," Andersen argued.

He pointed out that of the approximately 30,000 vehicles which use Serra daily, less than five per cent are Daly City autos.

"Not Equitable"

"I don't think it's equitable," Andersen said, and added that, "I want to get some legal opinion on this matter."

Andersen stated, "It doesn't seem right to me that a district can be formed, build a major highway and then turn costs of maintaining the highway over to a city when the city's residents constitute less than five per cent of the traffic on the route."

To date, the other three cities through which Serra runs have not been asked to take over maintenance of the road since the sections in their corporate limits are not completed.

However, Andersen plans to align forces from cities concerned so that they can fight the highway district's action jointly.

Andersen said he would also contact County Manager Robert Stallings to see if the county might assume jurisdiction of Junipero Serra.

My Mad World

By Leonore Brewer

Judging by the amount of smoke that has been arising from the past two issues of the paper, one would suspect that something's burning somewhere. We must investigate this situation, but not this week. This week must be devoted to the Belvins Davis-Robert Breen production of "Porgy and Bess," now playing at the Curran Theatre as the second offering of the 15th annual San Francisco Light Opera Season.

One of the most interesting aspects of any creative work, be it book, a play or an opera, is to look back on the life of the creator and try to pinpoint just when the idea first came into his mind. Apparently the thought of composing an opera was in George Gershwin's mind at least as early as 1923, which saw his one-act opera about Harlem Negroes entitled "135th Street" ejected from George White's "Scandals" as being too somber. Some ten years went by and then Gershwin was asked to collaborate with DuBose Hayward on a musical to be based on the latter's dramatic success, "Porgy."

Part of the following two years was spent in a shack on Folly Island near Charleston, where the flavor of Gullah Negro life could be absorbed at first-hand. After nine months of writing, eleven months spent on orchestration followed by six weeks of rehearsal, Gershwin and Heyward were ready on September 30, 1935, to premiere their folk opera at the Colonial Theater in Boston. The New York opening followed October 10.

In the intervening years interest in "Porgy" has increased rather than diminished and its present revival was such a success that the U. S. State Department chose to fly it to Vienna and Berlin to let Europeans see that the United States culture has a little more to it than chewing gum and singing commercials.

Its progress through Europe was a triumph. Its singers, including Cab Calloway and others of the present company, were greeted with unrestrained enthusiasm wherever they went, and in Vienna, the city of Mozart and Beethoven and Strauss, it was a rare performance that ended with less than 15 curtain calls. Berlin, Paris, London—the story was the same; then home to New York and finally, like all great theatre, San Francisco.

The story of Porgy the cripple and his love for Bess with her weakness for dope and a "sportin' " man is the classic triangle. Told as it is against the background of Catfish Row, a battered Negro tenement section on the waterfront of Charleston, it achieves in full measure that quality of reality that we have so often been told is missing from opera.

In a season crowded with stellar attractions, "Porgy" is of the first magnitude.

Safety News From Your Local Police

The motorist who is planning a vacation trip can do a lot to insure the safety of his trip by the way he plans. Safety precautions should start before the trip gets underway, and should continue throughout the vacation. Planning for safety can be the most important factor in making any trip comfortable and enjoyable for all.

HEAVY TRAFFIC. During vacation time many highways in rural areas have unusually heavy traffic. Keep this in mind if you are used to driving these roads when traffic is light. Be prepared. Also, in industrial areas, be prepared for traffic jams at the times work shifts are changing.

REGIONAL PECULIARITIES. Level stretches of road, appearing easy to drive, can encourage dangerously excessive speeds, cause sleepiness or give the driver a false sense of security.

Flat country sometimes alternates with rolling hills, which can be a hazard to the driver who is not alert for rapidly changing conditions. In level country the motorist should also be prepared for long distances between towns.

Mountain driving sometimes causes drivers to hug the center line too closely or stick too close to the edge. Drive carefully in your own lane, and be prepared for narrow roads, sharp curves and narrow bridges.

THE FOURTH OF JULY. The Fourth of July falls on Sunday this year, which means that many people will take a weekend holiday by auto. Extra caution, "defense driving," is necessary at such a time, for traffic accidents are likely to mount when holidays occur on weekends.

Motorists should not attempt to cover to much territory during the weekend, and whenever possible should use alternate routes or roads that are not heavily traveled.

Accident Report

Total: Six.

Breakdown: 10 auto-auto.

Injuries: Two male, three female.

IT'S OFFICIAL—Daly City Rotary club is established as Jack Kendree, left, president, receives charter from District Governor Wallace Myer in ceremonies held Saturday at Rickey's Red Chimney in Stonestown. A total of 22 charter members make up the local chapter of the international service organization. More than 200 people attended Saturday's function.

LOCAL ROTARY CLUB RECEIVES CHARTER

More than 200 people were on hand at Rickey's Red Chimney in Stonestown Saturday night to witness granting of the charter for a Daly City Rotary club, international service organization.

Awarding of the charter by District Governor Wallace Myer officially constituted the formation of the local Rotary club, which will serve the Daly City-Colma area.

Jack Kendree, president of the newly-formed group received the charter from Myer.

Clubs from the entire Bay Area and as far south as Hollister were in attendance.

Twenty two charter members make up the newly-formed Daly City club. The organization will hold a luncheon meeting every Wednesday at the Red Chimney.

In addition to Kendree, officers of the local Rotary are: A. J. Gaggero, vice president; Herbert E. Sharpe, secretary; Charles Ethel, treasurer; Robert Watson, sergeant-at-arms; Julian D. Cohn and Carl L. Haas, directors.

Summer Program Draws Big Crowd To Westlake Park

Swarms of parents and children descended on Westlake this past week to register for the summer activities. Arts and crafts proved most popular, but folk dancing and archery were not far behind, according to James Mason, recreation department head.

With registration going on, games and activities necessarily had to be limited while the directors became acquainted with the youngsters with whom they would work for the remainder of the summer.

A few people whom they already know are Pam Altman, Mike Silberstein, Irene Ailes, Alexis Malone, Sandra and Susan Biacco, John Eiler, Dennis Mori, Ronny Frangis and John Brown. All of these seem to prefer checkers.

Bob Hansen, George Ellis, Lee Lester, Eddi Molkenbuhr, Dave and Donald Bosberry, Michael and Martin Seelig, Luanne Seelig, and Elizabeth Lane preferred Chinese checkers and parchesi. Skipper Smith, Chris Trapani, Ricky Spector and Ronnie Bozzini played parchesi almost exclusively.

Typical of the "small fry" who played bounce ball and just ran around watching all the others were "Butch" Verducci and his pal Wayne Smith.

Everyone took a turn at one time or another at the tetherball courts. Some of the children are quite expert at this healthy, safe sport. One day volleyball was played with quite a gang joining in.

On the upper level, a baseball game was constantly in progress. A few of those who played regularly were John Renati, Lenny De Martini, Ross Holmgren, Steve Oppermann, George Cosmos, Dick Reese, Barry Deiver, Howard McKee and Jimmy Sebastiani.

Next week the program is expected to really get underway with hobbies, movies, arts and crafts, archery and folk dancing. Interested persons may sign up with Mr. Belforte for the Thornton Beach hike and picnic, June 30.

LION TALES

By Joseph Belli Jr.

A Lions Club is composed of the leading business and professional men of the community in which it is established. It is a Service Club which lives up to its name; and whenever any civic endeavor or activity is done the Lions always take an active part. The Lions have the spirit and the will to do things. They have the energy and determination to see things through. Where another club may feel it has done its duty by passing a resolution in favor of some particular thing, or in condemnation of something else, the Lions will, either at their Board of Directors meeting, or at their regular luncheon or evening meeting, or perhaps at both, take a good look at the problem or project which needs attention, thresh it out thoroughly, and then go into action.

The growth of the Lions in the last decade has in truth been phenomenal. In April, 1954, 118 new Lions clubs were organized. Lions International has 10,907 clubs with 498,244 members in 58 countries or geographical locations. The Lions have not grown large without reason. They have attracted men to them because they are "different." They are different in their meetings, in their pep and spirit and their way of doing things. They are different in the way they run their clubs and their districts. Each Lions Club, therefore, is able to choose the activities which it will carry on, but also able to engage in activities of tremendous scope through the medium of an International organization.

As previously stated in the last issue the annual Fishing Day to be sponsored by the Lions club will be held on Wednesday, July 14. Lion Hal Willis is chairman for this event. Children will be picked up at the Daly City Memorial Building, Broadmoor Center, and at the Westlake school at 8 a.m. by the individual cars of the various members. Some sixty rods and lines will be furnished through the courtesy of Jim Fox, a director of Lake Merced. Free bait will be furnished. Milk will be donated by Marin-Dell Milk company. The Lions will also supply ice cream. The weekly meeting will take place at the Lake for this event and at 1:30 the children will be taken back to their various locations by the members.

Commencing with the first meeting in July, the programs will be brought in by the individual members under the supervision of the program chairman Arnold Panella. Program for July 7th will be brought in by Past President Walt Rector and his guest will be Mr. Henry Weisner of the Daly City Fire Dept. speaking on the Fire Alarm System.

There are 8½ miles of inspection galleries and 2½ miles of shafts in the Grand Coulee Dam in central Washington.

Rec. Department's Arts And Crafts Program Underway

The Daly City recreation department arts and crafts program began Monday at the four centers, War Memorial building, Crocker, Jefferson and Westlake schools. The program is off to a fine start with 322 children registered, the recreation department reports.

The staff for this summer consists of: Miss Ina Bryant, teacher at Garden Village school as director; Miss Lorine Pindjak, Miss Jo Anne Gordohn and Miss Roberta Taylor, recent graduates of Jefferson Union High school, as assistants.

"From all appearances the program will be of great interest to the children. We plan to have a workshop type program for the older children; that is, three or four interest centers from which each child can choose a project of his own interest. For the younger children we will have art lessons for fun and to develop their skills," recreation director James Mason said.

Some of the projects for the younger children will be: decorative papers, painting, paper sculpture, making dolls, simple puppets, masks and modeling.

Some of the projects for the older children will be: wire sculpture, paper mache animals and masks, puppets, clay jewelry, wood burning, lanyard lacing, paper sculpture, weaving, finger painting, decorative papers, mobiles, and projects following the children's interests.

"The entire program promises to be fun for children of all ages," Mason said.

Paper Route Can Lead To Europe, Local Boys Find

A neighborhood newspaper route can lead you to Europe—if you work at it and save your earnings—two Daly City youngsters found out last week.

The boys, Harold and Floyd Kvamme, sons of Mr. and Mrs. Magnus O. Kvamme, 63 Cliffside drive, left Monday of last week on the first leg of a trans-Pacific hop that will unit them with kinsment they never met before.

The entire trip is being financed from earnings saved by the boys while servicing a delivery route for a San Francisco daily.

Harold and Floyd, both students at Jefferson high school, were born in San Francisco and have never before been out of this country. They left aboard a Trans World Airlines Constellation plane.

First stop for the Kvamme boys will be Stavanger, Norway, where the youths will visit their grandmother, Mrs. Hana Kristoffersen. From there, they will travel to Bergen for visits with other relatives.

The European jaunt was no accident that befell the young lives of the Kvamme boys. Fired by a dream of visiting the land of their ancestors, Floyd and Harold took the newspaper job more than a year ago with a definite goal in mind—to save enough for a trip to Norway.

Last week, their dream was realized.

Cars Slightly Damaged In Early Morning Crash

A parked car, belonging to D. Guaraldi, of 323 3rd avenue, was slightly damaged early Friday morning when another car, driven by Mrs. Marilyn Atwood, 1752 Louvaine Drive, ran into it, according to Broadmoor police.

The Guaraldi vehicle, police say, was parked in front of its owner's home when Mrs. Atwood, who said she miscalculated her distance, smashed into it. The Atwood car also was slightly damaged.

No citation was issued in the accident, which occurred at 12:30 a.m. Friday.

News of Your Local Businesses and Business Men

McGRAW'S DRUG STORE is the only place we've been able to find Professional Curlers for home permanents, and believe us they make a difference! Price is $1.50 for a large box.

HILLTOP MARKET'S George Glass is planning new six-foot-tall gondolas for bigger and better displays, and he just hopes the extra shelf space will half-way keep his grocery stocks up to the tremendous stream of HILLTOP MARKET customers.

Oren Taylor of the DALY CITY BARBER SHOP came from Missouri originally, and returns there for a visit on July 3. The trip will take him through the Black Hills of Dakota, Yellowstone, Great Falls, and back home by way of Reno and Las Vegas. Cliff Curry's son will take over his chair for the month, but if anything happens to Cliff's son he can call on either his son-in-law or brother for help. They are both barbers, also.

The DALY CITY DRUG CO., 6331 Mission street, offers a complete photo developing service with no extra charge for Jumbo prints! Negatives brought in before 4:30 p.m. (five days a week) will be ready after 4:30 the following day.

Toasters, automatic coffee pots, G. E. whipmixers, cameras, nylons, and a host of other premiums, can be yours when you patronize the Daly City stores giving SCOTCH BONUS BONDS with every purchase. Be sure to ask for the premium booklet when you buy at the following stores in Daly City now giving Scotch Bonus Bonds: O'Brien's Clothing Store, 6201 Mission street; Wright Cleaners, 98 Mission Circle; George's Shoe Repair, 6446 Mission street; Fran's Beauty Nook, 11 Hillcrest drive; Pettigrew Mohawk Station, 6755 Mission street; Yvonne's Casual Sportswear, 6207 Mission street; Daly City Washette, 26 Hillcrest drive; Lombardi Auto Service, 6498 Mission street; Broadmoor Service, 173 School street; and Market Basket, 6318 Mission street.

Members of the F.O.E. 1848 auxiliary must be good "cookers." Food Sale Salesladies Mary Voboril and Marge Lynch were almost sold out by 10:45 a.m. and waiting for refills to fill the large counter donated by McGRAW'S DRUG STORE.

Love those Long Pups at the LONG PUP restaurant at 6692 Mission street. They are extra long dogs and buns dressed up with mustard, onion and home-made chili beans—all for 30c. But for feeding a family you just can't beat LONG PUP'S take-out special price of just 19c for hamburgers and chiliburgers! Pick some up next time you're out in the car. The Nollis open at 6 a.m. and close at 8 p.m. every day of the week except Sunday.

Every-day visitor to the American Medical Association Convention was RELISH BAKERY owner, Karl Kettler, who delivered over 550 pounds of RELISH BAKERY diabetic cookies for medico and guests approval. Cookies were made with butter, fresh orange juice, grated orange and chunks of English walnuts. A special sweetening agent was used as the cookies could contain absolutely no sugar! This makes the second year that RELISH has been commissioned to work on this difficult cookie assignment. Try making some without sugar if you think they're easy. Like all of the RELISH BAKERY products, they were better this year than last, due to the motto of, "Not good, or even better, but BEST!"

Those Removal Sale signs in the windows of LEE'S DRUG STORE mean what they says—althoug Moving Sale would be more correct. Store IS moving—and prices are cut to prevent having to move excess merchandise. GOOD BUYS!

Latest at GLEASON'S DRESS SHOP are Forever Young dresses of Du Pont DACRON—a sheer, practically non-transparent fabric that just doesn't wrinkle, and washes and dries in a flash. Present models are especially flattering to the "difficult" figure. The price—equally flattering to financial "difficulties"—is just $13.95.

Lorraine Rollandi, Daly City's attractive librarian, gave us the interesting story of the pale yellow dress she was wearing Monday. Seems the dress, of embossed cotton, was once pure white. A milk stain on the pocket brought Clorox into play, but with results not on the bottle. The dressed turned its present shade of yellow, and no one seems to know why or how! Our only experience with unwanted colors has come about from one small red sock inadvertantly washed with white underwear, giving an "in the pink" tone that lasted the life of all the garments.

May File For Assistant Building Inspector Position

Applications for the position of Assistant Building Inspector may be filed before July 23 at 5 p.m. at the City Hall, Room 23, according to Dan E. Andersen, secretary of the Civil Service Board of Review.

One year's residence in Daly City at the time of filing for examination is a requirement for the civil service job.

Other qualifications include an age limit of 25 to 45 years and good health. A medical examination is required before appointment.

The applicant must have completed high school and three years of extensive experience in general building construction, or some equivalent combination of education and experience, according to Andersen.

A general knowledge of laws, ordinances, rules and regulations pertaining to building construction and materials is required. Familiarity with modern methods of construction and installation of electrical, plumbing and gas systems also is desired.

Salary, based on the merit plan, will be from $358 to $415 per month. Vacation and sick leave benefits and state retirement plan also are offered.

Announcement of the date of examination will be made later by the Civil Service board.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello, Neighbors:

Two weeks of the vacation have passed and now the big three-day holiday is with us again. The Fourth of July has many meanings to all of us. In these days of wars and rumors of wars it is more important than ever to stop and think and be grateful for the rights of freedom that we celebrate on this day. The fight for these freedoms started in 1775 and is still going on in 1954. Many of us have, or have had, husbands, sons, or brothers in the service. Many have gone and come home while many have gone and given their lives so the rest of us could have a home. Many are still going overseas and for each and everyone of them we owe a debt of thanks for they truly know the meaning of the Fourth of July.

Last Sunday, June 20, was a big day in the lives of MR. and MRS. ROY COMBS of Los Banos avenue. They entertained 20 guests, all relatives, at a buffet supper in their home. Honored guests were MR. and MRS. ART JONES and family from Missouri. Mrs. Jones is the niece of Roy Combs and winner of the 1954 Dodge contest. They made the trip out in the new Dodge and were here for about a week before leaving for home.

Taking off on a fishing trip and camping for a week were SHIRLEY and BOB MILLER and MRS. MARY HENSLEY. They camped at Sorenson's near Markleville, Calif., where Bob caught his limit of trout. Little Bobby stayed with his grandparents and a grand time was had by all including the stay at homes, Alice, Roy and Bobby.

ITEMS OF INTEREST

A drive is being held for funds so badly needed by our San Mateo Girl Scout camp. The general chairmanship is in the capable hands of MR. PETE MARKOVICH, ably assisted by MRS. ANN INGERSOLL. The camp is located in Sonora and is in sad need of sanitary facilities, swimming pool, and all-around camp fixing. Anyone interested in helping may get in touch with either of the above mentioned neighbors. Girls have just as much fun camping as the boys and they are looking forward to the day the camp is ready for them.

MR. and MRS. ALBERT ZUGAR of Vista Grande avenue attended the graduation of their granddaughter JOANNE MULLER of Santa Rosa High school on June 17. Joanne is the daughter of MR. and MRS. LEONARD MULLER of Santa Rosa who for many years lived in our town. Other members of the family making the trip for the graduation were: MR. and MRS. WARREN ORLANDI and son RICHARD, MR. and MRS. E. ZUGAR and sons GARY and ROBERT, MRS. THOMAS McNULTY and daughter LAURIE ANN, all of Daly City. The biggest surprise of the evening was the announcement of Joanne's engagement to JAMES WASKOW of Santa Rosa. A delicious buffet supper was served and Joanne received many beautiful gifts which will always remind her of the occasion.

One of the nicest and most loved of the neighbors is very ill in the hospital to which she has so faithfully gone to cheer others up. MRS. LEE O'NEILL of Gilman drive, who's big job has been to bring cheer into the lives of the Vets in Letterman Hospital, is now a patient there herself. Cards or letters would be greatly appreciated by Lee who is in Ward G1. Can we do less for one who has done so very much for others?

Married last Thursday night at Our Lady of Perpetual Help church with ceremonies performed by Rev. John Norman Allen at 7 p.m. were ROBERT MUELLER and MYRTLE FECTAU. Matron of honor on this occasion was MRS. ROSE WATSON and the best man duties were performed by DELL FEHL. The newlyweds will reside on East Vista avenue and destination of the honeymoon was strictly a secret. The groom is a Chief Petty Officer in the U. S. Navy and Myrtle has a host of friends whom all wish her and her husband many years of happiness.

Two young ladies were initiated in lodge work last Wednesday night. MISS MARY JONES of Knowles avenue and MISS SHARON CASAD of Flournoy street were two of the candidates received into the Theda Roe Girl's club. This is an organization for teenage girls and is affiliated with the Odd Fellows.

One young man has reason to remember Father's Day this year. It was his birthday. ORIN WAKEFIELD celebrated the day and the event of being sixteen by being the guest of honor at a dinner given by his friends. Happy birthday from all of us too, Orin.

Heard by way of my trusty telephone that A 3-c EDWARD F. HARPER of Lackland Air Force Base in San Antonio, Texas, will soon be home. Eddie should be here by the time this is read and will have eighteen days in which to say goodbye to all his friends before leaving for an 18 months tour of duty in Japan. Ed is with the Medical Corps and will probably find many of his friends on hand to greet him as there are most certainly enough of them over there.

Seaman JAMES SENSENY who has spent the last four years in the U. S. Navy with the majority of time in destroyer duty is a very happy young man. He is on his way home and when he gets here he gets the best promotion of all—his discharge. Jim has seen lots of service in Japanese, Korean, and South Pacific waters and will be most happy to spend the rest of his time on just old dry land.

CPL. JACK ZUGAR would like to thank THE RECORD for the paper which he has been receiving while he has been in the service. Jack, who is at Fort Lawton, Wash., is the son of MR. and MRS. A. ZUGAR of Vista Grande avenue. He had a three day pass a few weeks ago and went to Seattle where he met PVT. GERALD YOUNG, and they really had a good time talking over old times together. Jack is in the anti-aircraft artillery and expects to be home on furlough soon.

A 2-c JAMES MILLER, nephew of ROBERT MILLER of Los Banos avenue, is another of the Air Force boys who have been visiting us lately. He has just returned from a three weeks leave spent at Aliquipa, Penn., with his parents. Jim then spent the rest of his leave with Shirley and Bob before returning to his base at Pt. Arena.

A 2-c ALLEN GILES of the U. S. Air Force is home on leave from Japan. He is with the Air Police and will spend his leave fishing before returning to his new assignment which is Indo China. From Japan to Sutter Creek fishing to Indo China is quite a change for any young man and we hope he comes back for good soon.

A 1-c RAY TSCHIRGIA is another of the boys in the Air Force home on leave. He has spent the last many months in Korea and is havin ga well deserved vacation before reporting to Fort Lewis, Wash., for further duty.

NEWS AND VIEWS

MR. and MRS. ANDREW VIRENO SR. are still in Minneapolis, Minn., and from word received it will still be awhile before they return home. They made the trip so Mr. Vireno could attend the Mayo Clinic in order to have his arthritis treated. At last reports, progress is being made. We hope they return soon as they are missed by many of their old friends and neighbors.

MR. and MRS. CROUCH of Shakespeare street are two more of the neighbors who are on vacation. They are spending two weeks in Los Angeles visiting family and friends and having the time of their lives.

Being a guest of honor at a luncheon in honor of her birthday last Thursday, June 24, was MRS. PAT ARNAUDO. The hostess was MRS. MARGE LYNCH who served a very delightful luncheon. Among those who came to wish Pat a happy birthday were: MESDAMES DOLLY LEWKOWITZ, HARRIET LIPTICK, MARGE BLACKBURN, IRENE SCALLY, DOLORES WARREN, and VIRGINIA TABAREZ. Besides having a grand time Pat received many nice gifts in honor of the day.

It's a boy for LOUISE and RAY LAGOMARSINO. The young man has been named DOUGLAS ALBERT and is now at home to the delight of his grandmother MRS. VIRGINIA COOL. This is her first grandchild so we all expect to hear all about it.

BILL & MARGE KENNEDY of the Kennedy Electric Kennedys are among those who went to Reno last weekend. While there Bill entered the Cal-Neva Golf Tournament. Haven't heard how he made out yet but Daly City's golfers always seem to make a good showing for themselves in any and all tournaments.

Well, neighbors, this is it for this week. By this time next week yours truly will be among the redwoods enjoying a much needed rest. What from I don't know, but I'll enjoy it anyway. The column will be in while I am gone and any news can be given to PL. 5-0902 or PL. 6-1856 after 6 p.m. The name is Lynn. She will pass it on to me when I get home. I hope she enjoys talking to all of you as I do and that there is lots of news for me to set up when I get back on July 27.

Until then, 'Bye Now.

MORE COLMA SCHOOL GRADS

The students of J. Hough, Miss D. Duecker, Mrs. Ross, and D. Pryzbyla, who graduated from Colma school in the recent graduation exercises, appear on this page.

The pupils were among the 281 members of Colma school's largest graduating class.

VOLUNTEERS MAN COUNTY DEMO POST

County Democratic Headquarters at 128 North B street, San Mateo, will be directed throughout the summer with volunteers, according to an announcement by William W. Penaluna, president of the Democratic County Council.

Mrs. Marian S. Hemingway, San Mateo, who has had charge of the headquarters since its opening March 1, was granted a two-month leave-of-absence by the council at its recent June meeting.

Mrs. M. M. Hardin, San Mateo, chairman of press relations for the Democratic Women of San Mateo, will have charge of staff assignments and will be in the office on Thursdays. She will assist in scheduling speaking engagements for the various state and local candidates and will arrange for precinct workers wishing to use the central files and registration lists.

Women in various communities have accepted responsibility for specific days of the week. They include Mrs. William Souther, San Mateo, Mondays; Mrs. Guy Fuller, Burlingame, Tuesdays; Mrs. Oliver Ryder, Menlo Park, Wednesdays; and Mrs. Fred Lencioni, Belmont, Fridays.

Various members of the Associated Democratic students club will have charge on Saturdays. Recruits from the 19 local clubs will assist as the work requires, according to Mrs. Hardin.

Office hours will be from 10 a.m. to 3 p.m.

Shot To Drop Charges If Check Made Good

Judge Thomas L. Bocci will dismiss the case against Mrs. Vera Mary Yunck, 1795 Latlom street, Mountain View, if she will make good the amount of the fictitious check issued to the Lass and Laddie shop in Westlake, according to Police Matron Juanita Guisti.

The check, amounting to $33.29, was issued on March 29. Mrs. Yunck, 28, was arrested on Tuesday on a charge of petty theft. Trial is set for July 8.

Operetta Director Announces Tryouts

Tenor, basses and violinists are needed to fill the ranks of chorus and orchestra for the "Red Mill," according to Director Howard Kay.

The Victor Herbert operetta, starring Daly City's Carmen Moro, will be presented by Peninsula Operetta Production, incorporated, July 30 and 31 and August 6 and 7.

Members of the cast and orchestra of the show are chosen from all Peninsula communities. Auditions are open to persons between the ages of 16 and 27.

Interested persons are asked to report to the Burlingame Recreation Center at 850 Burlingame avenue any evening through July 2 for auditions.

Two Baby Showers Honor Mrs. Warren

Mrs. Warren Nelson was the honored guest at two baby showers last week. Mrs. Nelson, 170 Lake Vista street, who has been with the Lass and Laddie shop for two years, and her husband, adopted a little girl, Cheryl Ann, on Saturday.

The first shower was given last Thursday by Winn Mylin, Ira Sarriotie, Lottie Taganoand and Irene Hage. Twenty-five guests were invited to 178 Lake Vista street for a buffet style dinner.

Friday night a surprise shower honored Mrs. Nelson again. Zelda Helgeson, Penny Segale and De De Cooley invited 20 guests to a buffet dinner.

BUS-AUTO CRASH HERE INJURES TWO

Two persons suffered minor injuries in a collision between a Greyhound bus and an automobile on Mission street near Castle street Saturday night.

Injured were Minnie E. Pene, 76, 616 Green avenue, San Bruno, a bus passenger, and William Henry Lawrence, 30, a salesman, 2814 Scott street, San Francisco, driver of the car.

The collision occurred when the bus, driven by Clarence E. Johnson, 31, 1330 Holly avenue, San Carlos, and Lawrence's car collided when Lawrence attempted to make a turn, according to the police.

STATE VEHICLE OFFICE LISTS LOCAL ACTION

Supsension of drivers licenses was levied on three local motorists in recent action by the state department of motor vehicles.

Those receiving suspensions were: Edward Joseph Brenzel, 407 88th street, Broadmoor; William Jack Rezzonico, 46 West Cavour street, Daly City; and Gus Constantine Sola, 33 Hillcrest drive, Daly City.

Having their licenses placed on probation by the department were: Peter Anthony Brady Jr., 254 Chester street, Daly City; James Arthur Gribble, 732 Stewart avenue, Broadmoor; and Jerry Jackson Stone, 312 Bellevue avenue, Daly City.

Jacob Pelsinger, 149 Bel Mar avenue, Westlake, and William Lloyd White box 521, Sharp Park, were granted reinstatements.

Granted permanent reinstatements were Joseph John Heaney, 283 Wyandotte avenue, Daly City, and James G. Morford, 64 Wilson street.

BELIEVE IN SIGNS

You don't have to be superstitious, but it does pay to believe in signs—road signs—says the California State Automobile Association.

Mommy

Oh, boy, mommy, summer vacations pretty soon. Time to go outside and play all day. Something else, too — time to let me take dancing lessons at Mason - Kahn Dance Studios. I sure want to. They teach mommies and daddies real good, too.

Colma School Graduates

NEWLYWEDS are Mr. and Mrs. Robert Fredrick Munson, united recently in ceremonies at Bethel Lutheran church. The bride, formerly Carolyn Gail Secord, was graduated from Jefferson High school and more recently served as cashier and secretary there. Munson, a Marine veteran, was born in Minneapolis, where he attended schools. The couple will make their home in South San Francisco.

Carolyn Secord And Robert Munson Are United In Double Ring Ceremony

Double ring ceremonies held recently at Bethel Lutheran church united in marriage Carolyn Gail Secord and Robert Fredrick Munson.

The Rev. Herbert P. Schroeder officiated.

The bride wore a waltz-length gown of lace and tulle with a scalloped neckline and long sleeves for the nuptials. She had a fingertip veil of lace and tulle and pearl trim, accentuated by large white orchids, small butterfly orchids and bouvardia.

Her slip, dress and veil, earrings, and garters provided the something old, new, borrowed and blue.

Maid of honor was Margaret Ratto, while Elinor Seidel was bridesmaid.

They both wore powder blue dresses of tulle in waltz length. Floral embellishments for the bride's attendants were carnation and bouvardia colonial bouquets.

Best man was Joe Galente, while Del Hildenbrand served as usher.

The bride's mother, Mrs. Virgil R. Secord, was in attendance for the rites, and was attired in a powder blue suit worn with navy blue accessories and white orchid.

The new Mrs. Munson is the daughter of Mr. and Mrs. Virgil R. Secord. Mr. and Mrs. Al Sanford are parents of the groom.

The bride was graduated from Jefferson Union High school and has been employed as a cashier and secretary at the local school.

The benedict attended schools in Minneapolis, served with the U. S. Marines and has worked as a cement mason.

The reception was held at the Westlake Clubhouse, with a band providing music for dancing.

The couple honeymooned at the La Playa hotel in Carmel.

They will make their home in Avalon Park, South San Francisco.

Special guests on hand for the ceremonies were the bride's brother, sister-in-law and niece from Minneapolis, Minn., and Mr. and Mrs. Ralph Palmer and Percy Finnamore from Long Beach, Calif.

Village Notes

By Martha Pinney

BEECHWOOD DRIVE

Mrs. George Whitehead was hostess last week at a farewell luncheon for Mrs. Hal Blank, who is moving to Sunnyvale shortly. Present were Mrs. Peter Rizzzo, Mrs. Benny Lichtenberg, Mrs. Rex Spruiell and Mrs. John A. Glasse.

MIDWAY

Seven-year-old Dick Crofton is mighty proud of his new bicycle, which he won in a recent Popsicle contest. Congratulations.

On our "get well quick list"—Brad Freelander and Rodger Matson, who have the chicken pox. And Dick and Tommy Crofton who have the measles.

LOUVAINE

Mr. and Mrs. Al Courtney welcomed the arrival of a baby boy last Friday, name Kal Wade.

Miss Gwen Bymers had a delightful weekend stay at the home of Mr. and Mrs. Benny Lichtenberg.

Mr. and Mrs. Roy Krueger have been entertaining Mr. and Mrs. Theodore Krueger and their son, Mike, for the past ten days. They are visiting here from Glen Ellyn, Ill.

Several girls from Broadmoor and Garden Village left as the first group to attend a new Girl Scout Camp at Sonora. Happy vacation to you, girls.

SWEETWOOD DRIVE

To Eddie Edmison -- everyone wishes you a speedy recovery from your tonsilectomy.

WASHINGTON

A very gay party celebrated Sheila Cargill's third birthday last Monday. Attending and sharing the ice cream and cake were Beverly and Kenneth Tonnissen, Laurie and Tenny Rice, Michael Rege, Anita and Mark Duste, Donna and Mark Becker, Michele, Gayla and Dannielle Murphy.

89th STREET

A wonderful cowboy cake helped to celebrate Daniel Beck's third birthday at a family party. Daniel was recovering from the measles when birthday time arrived and is trying to decide how many ways he can spend his birthday money while he recovers.

LARCHMONT DRIVE

Larchmont neighbors are congratulating Bernadette Kostevitch on her prize winning essay on "What the Pledge of Allegiance Means to Me." Bernadette was a student at the Colma school. We're proud of you.

Freak Crash Injures Local Hardtop Racer

Daly City hardtop auto racer William Robinson suffered a mild brain concussion last week at Belmont speedway when his car and five other cars overturned in a freak accident.

Robinson, 37, 24 Werner street, was the only driver injured. The crash occurred in the consolation event of the program. The driver was released from Sequoia hospital the morning after the accident.

Mrs. Lozano Visits Daughter In Wisconsin

Mrs. Freda Lozano, 280 Miriam, returned home Sunday after spending two weeks with her daughter, Mrs. Eugene Berhagen, in Kaukauno, Wis.

It was the first time Mrs. Lozano had seen her daughter in two years.

SHAW TO REPRESENT LOCAL AERIE AT EAGLES CONVENTION

Larry Shaw, 9 Shakespeare street, left Wednesday for Boston where he will visit relatives and later act as the Daly City-Colma Vista Grande Aerie Eagles delegate to the National Eagles convention in Chicago.

Shaw will take part in the convention which will be held July 29, 30, 31 and August 1.

The delegate is a past president of the local Aerie.

Royal Welcome Is Planned Today For Three Navy Ships

A royal welcome is planned today (Friday) at 4 p.m. when the three Navy ships arrive at the Port of Redwood City as part of the 15th Annual Fourth of July Celebration, President Ferris Miles of the Peninsula Celebration Association, announced today.

City, county and P.C.A. officials will be on hand to welcome the ships, their commanding officers and crew. Then the officials will go on an inspection tour of the two minesweepers, the USS Ruddy and the USS Zeal, and the landing ship medium rocket USS 525.

The ships wil lbe open for public inspection on the mornings of July 3, 4 and 5 from 9 a.m. until noon, with the exception of the Fourth of July when inspection ends at 11 a.m. so that the sailors can march in the annual Redwood City parade.

LAST WHALING STATION

Fields Landing, located in Humboldt county, is reported by the National Automobile Club to be the location of the last active whaling station in the United States.

Mrs. Allan Barahal Chosen Volunteer Of Month By SF "Y"

Mrs. Allan Barahal has been chosen the Volunteer-of-the-Month to be honored by the San Francisco Y.W.C.A. during July.

Mrs. Barahal, who resides at 1092 Bowdoin street, has been active for several years in the Young Adult program of the Y.W.C.A. She has served on the Young Adult Committee for five years, and represents this Association on the National Employed Women's Council, currently fulfilling the job of treasurer.

Anabel's volunteer jobs dealt primarily with organizational meetings, and committees. She was a delegate to the Y.W.C.A. National Convention, and has attended many regional conferences.

Besides a full-time job, Mrs. Barahal keeps house for husband, Allan, and young son.

Misbe-Haven Dance Tonight At Center

A summer dance for Misbe-Haven club members, guest card holders and their guests will be held tonight (Friday) at the community center.

The function is scheduled to begin at 8 p.m.

American Ort Elects Two Local Women

The Northern Peninsula chapter, Women's American Ort, recently elected two new chairmen from Westlake for the coming year. Mrs. Eugene Cohen, 872 Mayfair street, has been named health chairman, and Mrs. Herbert Zelinsky, 91 Eastgate drive, program chairman.

Mrs. Cohen and Mrs. Zelinsky recently attended a planning conference and workshop in Menlo Park. The workshop was held to acquaint the incoming officers and chairmen with the group's program and activities.

Ort maintains over 400 tuition free vocational training installations in 20 countries on five continents. The schools are maintained for the purpose of reconstructing uprooted and underprivileged Jews.

Persons interested in attending future Ort meetings or desiring information may contact Mrs. Cohen, PL. 6-0707, or Mrs. Zelinsky, PL. 6-0396.

Daly City Not To Enter County Queen Candidate

Daly City will not enter a candidate for the Fiesta Dream Girl contest at the San Mateo county Fair and Floral Fiesta, according to Peter Markovich, secretary of the Chamber of Commerce.

It is felt that the minimum age of 16 is too young for a candidate, Markovich explained. Limited time was also given as a reason.

Holiday Accidents Expected To Kill About 370 People

A total of 370 Americans will die in highway accidents during the coming three-day July Fourth weekend, according to a prediction released today by the Association of Casulty and Surety Companies.

The Association's estimate, based upon "a conservative expansion of the accident rates of three-day Independence Day holidays in the past," breaks down the causes of the fatal accidents into six principal categories.

Speeding is expected to kill 123 persons; excessive use of alcohol will account for 82 more, both motorists and pedestrians; failure to keep to the right of the centerline; 37 deaths; failure to yield the right-of-way, 26 deatns; overfatigued drivers or drivers actually asleep at the wheel, 23 deaths; miscellaneous causes, 79 deaths.

In releasing the estimate, Thomas N. Boate, Accident Prevention Department manager of the Association, pointed out that the Association's figures for the recent Memorial Day weekend were "grimly close to reality." The national highway death toll for that holiday, not counting those who were injured but didn't die until sometime after the weekend was over, was 362. The Association had predicted 380 deaths.

Hibernians To Hold Annual Picnic July 11th

Division 17 of the Ancient Order of Hibernians in America will hold its annual picnic at Boyes Springs July 11, according to Recording Secretary John F. Harper.

Harper invites all San Franciscans, Hibernians, members of the Ladies Auxiliaries and their families and friends to attend.

Buses will be provided for those having no means of transportation. The buses will leave the Irish American Hall at 454 Valencia street between the hours of 11 a.m. and 2 p.m. Tickets will be sold at the bus and at the gate.

Entertainment will be provided and there will be swimming, dancing, music, games and prizes.

SERMON SERIES ON "VOICES OF GOD" UNDERWAY AT BROADMOOR CHURCH

"Voice of God from the Mountains of the Bible" is the theme of a sermon series being delivered by the Rev. John A. Glasse, minister, at the Broadmoor Community Presbyterian church.

The series will continue until July 18.

Sacraments of the Lord's Supper and of baptism will be administered at 11 a.m. on Sunday, July 11. Attendance at the Lord's table is an obligation for members able to attend, and a cordial invitation is extended all non-member Christian friends to also attend and to partake of the Sacrament.

Baptism for children and others at 11 o'clock on July 11 may be arranged by contacting the minister.

Daily vacation school will be held from 9 to 11:30 a.m. on the mornings of July 26 to 30, and from August 2 to 6 for all children who have finished kindergarten up through those who have finished sixth grade.

Mrs. John LePine will have the first three grades, and Mrs. Lamont Sundman will have the other grades.

Activities will include craft work, singing, movies, stories, dramatics, pageantry, and other indoor and outdoor projects.

An enrollment fee of $1 for each child is expected to cover the cost of the school. Further information may be obtained by calling Mrs. LePine, Mrs. Sundman, or the minister.

Rev. L. C. Marting Addresses Conclave

An estimated need of $50,000 for the next five-year period was disclosed last week by the Rev. Louis C. Marting, pastor of Broadmoor's Hope Lutheran church, in a report to the 43rd convention of the California-Nevada district, the Lutheran church—Missouri synod.

The Rev. Marting, who attended the conclave at Concordia college, Oakland, also pointed out in his report that $22,500 had been spent by the local congregation on its property.

The convened churchmen heard the Rev. Carl Berner, of Los Angeles, stress the importance of worsip in the home, together with the religious instruction carried on by the believer-priests within the confines of their homes.

Hope Lutheran Guild Slates Meet

The Ladies' Guild of Hope Lutheran church will hold its next meeting at the home of Mrs. Harriet Haggerman, 516 MacArthur drive, Broadmoor, on Wednesday, July 7, at 8 p.m.

There will be a business meeting followed by refreshments. All interested ladies are invited to attend.

The Guild plans to continue its meetings and activities throughout the summer. At present, the main project of this group is working with Pastor Theiss, who is the institutional missionary for the area. most of the work is centered at the San Francisco hospital and the Laguna Honda home.

If anyone has rummage of any type which they would like to contribute to their fall rummage sale, they may phone PL. 6-0348 for pick-up service.

Christian Scientists To Hear Discourse On Man's "God-Given Freedom"

The spirtual basis of man's true independence will be emphasized in the Lesson-Sermon entitled "God," during the Christian Science services Sunday, July 4, in Sharp Park.

Man's God-given freedom will be brought out in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following passage (227:14-16, 24-26):

"Discerning the rights of man, we cannot fail to foresee the doom of all opression. Slavery is not the legitimate state of man. . . . Citizens of the world, accept the 'glorious liberty of the children of God,' and be free! This is your divine right."

Among the passages to be read from the King James Version of the Bible is the following (Isaiah 33:22): "For the Lord is our judge, the Lord is our king; he will save us."

State GOP Committee Adds Westlake Attorney

Bernard Etcheverry, local attorney, was recently appointed to the Organization and Membership committee of the California Republican assembly, according to Dr. Joseph H. Lorenz, CRA San Mateo county president.

The nickel-copper alloy, Monel, is used extensively in railroad dining car kitchens where its resistance to salt brine corrosion is advantageous, particularly for floors.

Rev. McConnell To Tell How To Be Good Citizen In July Fourth Sermon

Howard Patrick McConnell, minister of the 101 Vista Grande avenue Christian church, announces "How To Be A Good American" as his Fourth of July Sunday sermon. The service is at 10:55 o'clock.

Bible school for all ages and a nursery for the little ones is at 9:30 o clock.

The Daily Vacation Bible school comes to a close Friday of this week. A program in which the children demonstrate what they have accomplished, and display their hand craft will be at 7:45 p.m. Friday. There have been 103 children registered in the school, and a corp of eighteen teachers have been in charge.

Officers meeting is scheduled for Tuesday evening, July 6. Mr. Everett, newly elected chairman of the Board of Officers, will preside. Mrs. Charles Baldinger will take over as the new secretary.

Bible study is on Thursday evening at 7:45 o'clock. The second half of the Book of Revelation will be studied.

Broadmoor Church Dedication Draws Capacity Crowd

A capacity crowd of some 150 persons turned out June 20 for dedication ceremonies for the new Broadmoor Church of the Nazarene building, Washington and Edgeworth streets, Broadmoor.

The Rev. L. W. Coey, pastor, tendered his sincere thanks to the people who "worked unceasingly to complete the great task of moving the congregation and building a new place of worship."

He added that, "I cannot find words adequate to express my appreciation for the way the church has worked together to bring up to this hour of dedication."

The structure, built almost entirely by the pastor and members of his congregation, cost approximately $28,000 and is valued at $55,000. Many donations and price reductions by contractors and individuals made possible the low cost of the project.

The ceremonies dedicating the new church were begun by Mrs. Carol Emel, bringing the prelude. Invocation was delivered by the pastor, while congregational songs were rendered by Louis Thompson.

Dedication sermon was given by Dr. George Coulter, district superintendent, who also delivered a prayer of dedication.

Services are now being conducted on a regular schedule at the church.

Sunday school commences at 9:45 a.m., while morning worship is conducted at 11 a.m.

Midweek services are Wednesdays at 7:30 p.m. Thursday the NFMS meets at the parsonage.

DRIVE AT SAFE SPEED

On this coming Fourth of July weekend, and at all times, drive at a safe speed, advises the National Automobile Club.

Local Girl Wins Big Operetta Role

Carmen Moro, 3194 San Jose avenue, will star as Gretchen in the "Red Mill" to be produced by the Peninsula Operetta Productions, incorporated, on July 30, 31, and August 6 and 7.

Miss Moro, 21, is employed as a teller at the Daly City Bank of America. She is the daughter of Mr. and Mrs. Dennis Moro of this city.

To sing opera is the ambition of Miss Moro. She hopes to audition with the Dr. Adler chorus of the San Francisco Opera company in the near future.

The young singer, who is a graduate of Balboa High school, has studied music for five years under Mrs. Edith Ford Kendall of San Francisco.

She was the featured soloist at her high school graduation and obtained a bit part with the Peninsula Productions last year. Miss Moro also was featured at the annual Bank of America Christmas celebration at the St. Francis hotel in San Francisco.

The cast for Victor Herbert's musical was chosen from a record-breaking turnout of nearly 150 applicants, according to Director Howard Kay.

BOERSTLER FUND DRIVE CLOSES; $807 COLLECTED

The benefit fund drive for the widow and four children of George Boerstler wound up Wednesday, with a net of $807 realized for the family.

A total of $1049 was collected in the drive, sponsored by the local fire department, city employees and THE RECORD. Out of this approximately $230 was taken for a TV set awarded Wednesday at conclusion of the drive.

Winner of the set was Mrs. M. Fields, 68 Risel street.

The benefit drive was launched for the Boerstler family after George Boerstler was killed in a gas explosion here in May.

Boerstler's life insurance policy had lapsed shortly before the tragic incident and his wife and four young boys were left with virtually no money.

August Conci Is Feted On Birthday

August James Conci of 2231 Junipero Serra boulevard was honored recently at a birthday party given by his sister, Mrs. Diva Angelot, at her home on 269 South Park View avenue.

Guests present were: Mrs. F. Conci, Peter Conci, Elma Conci, Ann Strickler, Eddie Stickler, Nate Gaggero, Joe Baioschi, Robert Bromquard, Emile Girard, August Angelot, Diva Angelot, Tommy Conci, Linda Conci, Ronald Angelot, Nancy Angelot, Rene Angelot and Joe Baioschi Jr.

PORTENT OF TROUBLE

If the lights suddenly start brightening and dimming it indicates a loose connection that may result in a short circuit, warns the National Automobile Club. A short circuit may blow out all the light bulbs at once.

Food Sense—Not Nonsense

'Doc,' It Looks As If You Hit Pay Dirt

Dental scientists may have struck pay dirt in their efforts to reduce dental decay. If so, the average American can hope to have his sweets, yet have fewer decayed, missing and filled teeth than at present.

To lessen the degree of decay, dental scientists have studied the use of "chemical barricades"—the newly talked of anti-enzymes. Anti-enzyme protection is based on the widely held theory that decay is caused by acids attacking the enamel of teeth; acids that are produced by the action of bacteria on foods containing high levels of sugar, foods that many people enjoy.

The little demons that cause the fermentation use enzymes as their tools to change sugar rapidly into enamel destroying acids. Those foods recognized as carbohydrate foods because they contain starch, such as enriched bread or cereals, have not been a dental threat. The enzymes break down these products so slowly that saliva can neutralize any acids formed in the process.

This theory is seen in action in countries such as Italy where 70 per cent of the calories are obtained from bread, spaghetti and macaroni. An Italian 60-year old person can be expected to have as good teeth as a 13-year old American child.

If any part of the cycle—from sugar to acid—can be interrupted, dental decay can be slowed to a walk. Research has turned to chemicals which may toss the proverbial monkey wrench into the mouth bacterial machine. These chemicals inactivate the enzymes which are necessary for acid production. From tests with thousands of subjects, two materials with tongue twisting names—sodium lauroyle sarcosinate and sodium dehydroacetate hold the most promise. Because these tongue twisters are absorbed by the film which covers the teeth their protection lasts for several hours.

It is hoped that evidence from clinical tests on tooth pastes containing the anti-enzymes will demonstrate that these "chemical barricades" are as effective in prevention of dental decay as the theory now indicates.

C OF C SETS DAY FOR INDUSTRIAL SURVEY

The Daly City Chamber of Commerce has set August 12 as "target day" for a comprehensive survey on the industrial potential of Daly City.

The survey, which will be concerned with all types of information such as zoning, assessed valuation, taxes, population present and potential, land availability and land values, is a joint venture between the Chamber and the local planning commission.

Assisting in the survey will be a panel of experts from well-known industrial and commercial organizations. Serving as chairman of the panel will be James E. Fitzgerald, president of the San Mateo County Development association.

Firms Participating

Firms whose experts will serve on the panel are as follows: Pacific Gas and Electric Co., Bank of America, Pacific Telephone and Telegraph Co., Southern Pacific, Standard Oil, Coldwell and Banker, Stuart Walsh and Associates, paid industrial survey experts.

To assist the panel, the following advisory committee was selected: Thomas Callan, county supervisor of the first district; Frank Skillman, secretary, county planning commission; Arthur Skillman, secretary, county planning commission; Arthur Bodien, member of county planning commission; and James Tormey, county superintendent of schools.

Finding Lands

The survey will embrace the city of Daly City and all land contiguous to the city, with the immediate object of finding land available for industrial sites.

According to the Chamber, bringing in industry will help relieve the tax burden, "for at present 80 per cent of the tax dollar comes from the home owner." The Chamber pointed out that, "In San Francisco, percentage-wise, it is vice versa. The home owner there sustains 20 per cent of the tax dollar. Industry and commercial absorbs the rest. This survey, once completed and adopted by the district, will definitely serve towards bringing in more tax dollars. Aside from this, many local people will be hired by the industrial plants that will be erected."

List Program

Program for the day is as follows:

7:45 a.m.—Board United Airlines plane to make air survey of district. Breakfast to be served on plane. Plane will land at 9:15 a.m. This trip is free through the courtesy of the United Airlines.

9:20 a.m.—This group, consisting of members of the committee, the panel, advisory committee with with newspaper reporters, local and the four large metropolitan papers, will board a chartered bus to survey every portion of land that could be designated as industrial. Upon completion of tour members will proceed to the Lake Merced Gold and Country Club for a luncheon.

1 p.m. to 4 p.m.—Panel will take over, reviewing every phase of the tour and all the statistics regarding this area that are vital towards the completion of this survey. This panel session will end about 4 p.m. All data will be submitted to Mr. Stuart Walsh & Associates who will put it together in the form of a booklet, thus completing survey.

Other Committees

Other committees selected to assist are as follows: Budget committee, Fred Martin, Bob Hunter; transportation committee, Walter Rector; lunch committee, Peter J. Markovich, William Kennedy; panel committee, Joe Rohl, Dan Harris; report committee, Bob Hunter, Dan Harris, Peter J. Markovich; publicity committee, Frank Monte, Peter Markovich.

Budget set up for survey is as follows: Hahn & Walsh Survey Experts, $250; Tape recording and preparation of book, $500.

VACATION BUDGETS

Everyone going on a vacation trip should have two budgets—one for money and one for time—says the California State Automobile Association. By budgeting time, driving can be held down to a reasonable number of miles a day, and the vacationing motorist will not have to crowd the final hours of his outing with hard, and frequently dangerous, driving.

Assistant Cashier At Westlake B of A Honored At Dinner

Louis Gazzano, assistant cashier at Westlake branch of Bank of America, was honored guest last weekend at a dinner given in San Francisco by S. Clark Beise, president of the statewide banking institution.

Occasion was Gazzano's completion of a quarter century continuous service to B of A. He was presented with a diamond-studded gold pin in recognition of his many years' service and initiated into the bank's Quarter Century Club, a group of long-time employees of the bank, none of whom have served less than 25 years.

Other hosts attending the dinner, held in the Fairmont hotel, were top executive officers of the bank's San Francisco headquarters.

POISON IVY

Vacation Enemy No.1

Don't let poison ivy spoil your out-of doors fun. Know what it looks like and be alert for it . . . but should you come into contact with it . . . by all means know what to do.

If you think you have been exposed to this poisoning leaf, shown here, take no chances. Immediately:

- Shower, not bathe, and scrub thoroughly three times with hot running water, including shampoo. Poison ivy is a sticky oily substance and will spread over the body in a tub.
- Scratch a wet cake of soap so that the lather gets in deep under the nails . . . this could be a good hiding place for the poison if not checked.
- Use a mild soap. Strong soaps will further irritate the skin.
- Launder all clothing . . . polish shoes being careful not to touch outer surfaces.
- Apply Ivy-Dry, available at your local druggist, following directions carefully.
- Repeat Ivy-Dry treatment whenever you are inclined to itch.

ENGINEERS CONDUCT NEVER-ENDING QUEST FOR TRAFFIC SAFETY DEVICES

Since the turn of the century when America's dirt roads were first assaulted by high pressure-tired "horseless carriages" traffic engineers and technical wizards have conducted a never-ending quest for devices to promote traffic safety.

Over the years, a thousand plans and cure-alls have been suggested. Better highways, banked turns, gradual grading of the roads, improved highway directional and danger signs, elimination of grade crossings and needless turns have all contributed to the comfort and convenience of highway-users, but the toll of death and injury on the highways has more than exceeded highway improvement.

With the improvement of highways came better and faster automobiles and higher death and accident highway statistics. Then came the "gimmicks" which experts considered necessary for the protection of the motoring public.

A procession of innumerable accessories from seat belts to padded instrument panels, speed governors, electronic policemen and more stringent licensing standards followed in succession, none of which slowed down America's bloody massacre of the highways.

Now, the California Safety Council, a statewide volunteer citizens group concerned with the problems of traffic safety seems to have pinpointed the issue where it belongs — with the individual driver.

A statewide traffic safety crusade is currently being organized by the council in which operators of motor vehicles will be asked to sign a "safety pledge" in which they will promise to know and obey all traffic laws, maintain their vehicles in safe operating condition and drive according to the golden rule.

A goal of 1,200,000 signatories has been set, which, according to officials of the safety council could result in a 20 per cent reduction in traffic accidents and fatalities which amounted to 3,371 in California in 1953 with a calculable financial loss to the people of the state of more than $320,000,000.

In many parts of the state, the California Safety Council has active committees working but due to restricted financial support, an appeal for volunteer enlistments in the crusade has been made to the people of California. Individuals are urged to assist by taking $2.00 annual memberships in the California Safety Council. Local expense for this community's participation in the safety crusade consists largely in the cost and distribution of bumper stickers at approximately 10 cents each.

Jeff High Winds Up Hiring; Awards Bid

The Jefferson High school teaching staff for the coming school year was completed Monday night when the board of trustees approved hiring of Paul Rosendahl as mathematics instructor.

Rosendahl, last teacher to be hired, replaces John J. O'Brien, who resigned at the end of this school term. The new instructor hails from Gunnins, Colo., where he taught high school mathematics.

In other business Monday night, the board awarded contract for installing additional fire line to Harold T. Treacey Co., low bidders with a figure of $2965.

The line, necessary because of the need for additional water supply at the school, will tie in with the Daly City water supply.

GIVING EMERGENCY AID

Pushing another car, which has displaced towing it in many an emergency, is not harmful to the mechanism of the vehicle during the pushing if it is driven carefully, advises the National Automobile Club. Clutch and tires, the common sufferers, are not damaged if they are given a chance to take on the extra load gradually. It involves starting gently and picking up speed slowly and evenly.

The only living order or group of families of insects known to have existed in Carboniferous time is the Blattidae, or cockroaches.

Notice Of Intention To Engage In The Sale Of Alcoholic Beverages

June 29, 1954

TO WHOM IT MAY CONCERN:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Hillside Blvd. & Chester St., Colma, San Mateo County, Calif.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance by transfer of an alcoholic beverage license (or licenses) for the premises as follows:

On-Sale General

Anyone desiring to protest the issuance of such license may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages.

NOTICE OF GUARDIAN'S SALE OF REAL PROPERTY AT PRIVATE SALE

No. 105952
Dept. 9

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE CITY AND COUNTY OF SAN FRANCISCO

In the Matter of the Guardianship of the Person and Estate of ELIZABETH MARIE EASTON,

a minor.

NOTICE OF GUARDIAN'S SALE OF REAL PROPERTY AT PRIVATE SALE

NOTICE IS HEREBY GIVEN that H. W. STEINEGGER, guardian of the person and estate of ELIZABETH MARIE EASTON, a minor, will sell at private sale to the highest bidder upon the terms and conditions hereinafter mentioned, subject to confirmation by this Superior Court, on or after 10:00 a.m. on the 6th day of July, 1954, all of the right, title and interest of the said Elizabeth Marie Easton, a minor, in and to the real property hereinafter described, which is situate, lying and being in the City of Redwood City, County of San Mateo, State of California, and more particularly described as follows:

Lot 5 in Block 44, as designated on the map entitled "Map of Redwood Highlands Redwood City San Mateo Co. Cal." which map was filed in the office of the Recorder of the County of San Mateo, State of California on August 20, 1913, in Volume 9 of Maps at pages 6 and 7.

together with the dwelling house thereon.

Terms and Conditions of Sale: Sixty-five per cent (65%) of the purchase price in cash, in lawful money of the United States of America, ten per cent (10%) of the total purchase price to be paid upon acceptance of bid and the balance of thirty-five per cent (35%) to be evidenced by a promissory note bearing interest at the rate of six per cent (6%) per annum, secured by deed of trust upon the above described real property, payable in full on or before five (5) years from recordation of deed. Cost of recordation of deed and title insurance to be paid by purchaser, taxes and insurance to be prorated as of date of recordation.

Bids and offers for said real property must be in writing and must be accompanied by cash or certified check for ten per cent (10%) of the amount bid. Bids may be left at the office of H. W. Steinegger, Room 1220, Russ Building, 235 Montgomery Street, San Francisco 4, California, at any time after the first publication of this notice and before the making of said sale. The right is reserved to reject any and all bids.

Dated: June 15, 1954.

Two Minor Blazes Alert DC Firemen

A $750 television was partially ruined here Sunday when a fire broke out in the mechanism of the set.

Firemen were summoned to the residence of J. R. Schenk, 10 Clifton drive, at 5:15 p.m. Sunday, but Schenk had the blaze under control on their arrival.

The fire was limited to the inside of the television.

Local firemen were alerted again Sunday about a half hour later to extinguish a straw blaze at the community center.

Straw, used to protect the plants around the building, became ignited and was burning on the Hillside boulevard side of the center.

Slight damage may have been done to some of the plants, firemen said.

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

No. 127218

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE CITY AND COUNTY OF SAN FRANCISCO

In the Matter of the Estate of HARRY E. GARCIA,

Deceased.

Notice is hereby given that the undersigned, as Executor of the Estate of HARRY E. GARCIA, deceased, will sell at private sale to the highest and best bidder upon the terms and conditions hereinafter mentioned and subject to confirmation by said Superior Court, on July 6, 1954, at the hour of 10:30 o'clock, A.M., or thereafter within the time allowed by law, at the office of RUDOLPH J. SCHOLZ, at 351 California Street, San Francisco, all right, title, interest and estate of said HARRY E. GARCIA, deceased, at the time of his death and all right, title and interest that said estate has acquired, by operation of law or otherwise, other than or in addition to that of said HARRY E. GARCIA at the time of his death in and to the real property situated in the City of San Mateo, County of San Mateo, State of California, described as follows:

Lot 26 as shown on Map entitled "El Cerrito, Hillsborough and San Mateo, California," filed in the office of the County Recorder of San Mateo County on July 19, 1946, in Book 25 of Maps at page 71, commonly known as No. 153 Gramercy Drive, City of San Mateo, County of San Mateo, State of California.

Bids or offers are invited for said property and must be in writing and will be received at the office of RUDOLPH J. SCHOLZ, attorney for said Estate, or may be filed with the Clerk of said Superior Court or delivered to the said RUDOLPH J. SCHOLZ personally, at any time after first publication of this notice and before making said sale.

Said sale will be made upon the following terms:

Cash, except for assumption of first deed of trust in the sum of approximately Sixteen Thousand Dollars ($16,000).

Dated: June 16, 1954.

SUMMONS

No. 807

IN THE MUNICIPAL COURT, NORTHERN JUDICIAL DISTRICT, COUNTY OF SAN MATEO, STATE OF CALIFORNIA

GEORGE RIDDELL,

Plaintiff,

vs.

THOMAS F. KELLY, FIRST DOE, SECOND DOE, and THIRD DOE,

Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

THOMAS F. KELLY, FIRST DOE, SECOND DOE, and THIRD DOE,

Defendants.

The above named Plaintiff having brought action against you in the Municipal Court, Northern Judicial District, County of San Mateo, State of California, by filing therein a complaint (copy of which is required to be served herewith);

YOU ARE HEREBY DIRECTED to appear in the above Court, City Hall, South San Francisco, and answer (in writing) the said complaint within ten days (exclusive of the day of Service) after the service on you of this Summons, if served within the County of San Mateo, otherwise within thirty days. And you are hereby notified that unless you so appear and answer (in writing) the said complaint as above required, said Plaintiff will take judgment for any money or damages demanded in the complaint, as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Given under my hand and the seal of the Municipal Court, Northern Judicial District, County of San Mateo, State of California.

Dated March 10, 1954.

TIME OFF—Sgt. George L. Hollister of Daly City, chief clerk in the post publications office at Camp Gifu, Japan, is shown playing on the camp's baseball team. Sgt. Hollister, whose wife, Eleanor, lives at 6642 Mission street, re-entered the Army in March, 1953, with six years of prior service. Photo and news release was dispatched from Army Home Town News Center, Kansas City, Mo.

TWO NINTH FRAME ERRORS COSTLY AS SARTOMEN BOW

With a slim 3-2 lead going into the first of the ninth frame, Sarto A.C. committed two big errors that gave Molkenberg four runs and the game Sunday at Marchbanks park.

The athletic clubbers were put down without a tally in their last time at the place and were topped, 6 to 3.

Rudy Rovie, Sarto pitcher, gave up seven hits, 7 walks, and six runs while striking out six.

Sarto collected a total of five hits.

Sarto and Molkenberg each tallied in the first frame and Molkenberg picked up one more in the fourth.

Sarto posted two more in the fifth to move ahead until the ninth frame, when the opposition got four runs.

Sunday's game marked the third time in three games Molkenberg has topped the local club.

No game is scheduled for Sarto's Sunday as the players are travelling to Hoberg's for the three-day holiday.

Ralph's Rampages; Register 35 Runs Against DC Drug Co.

Behind the six-hit pitching of Ralph's Mike Orlich, the Cleaners nine pounded in an astronomical 35 runs on 18 hits to down the Daly City Drug Co. 35 to 11, in last week's Daly City Softball league play.

Ralph's commanded a 4-1 lead going into the third inning when they exploded for nine runs on three hits, three walks and two errors.

The Cleaners added 14 more runs in the fourth and eight more in the fifth to continue the football-like scoring.

Hitting star for Ralph's was catcher Tony Giammona who collected five hits in six trips, including two home runs.

Lagomarsino Realty scored a 14-1 decision over the Broadmoor Police behind the five-hit pitching of Ben Arnold.

Other results saw the Daly City Fire department edge Tromborg, 16 to 15. Rich Giusti drove in the winning run for the firemen in the last of the seventh with a base-loaded single.

Mendocino County had 1710 farms in 1950, according to the Census of Agriculture of that year.

WESTLAKE HOMES NINE SPLITS PAIR

Westlake Homes dropped their first game in the Funston Night league Friday, losing to Syl's Service, 4 to 1.

Merl Craddick, who did a one-pitch relief job for the Homes team in their victory Sunday over Fosters Lunch, will go on the mound tonight.

Sunday's contest found 29 hits amassed between the two teams. Fosters led with 15 bingles, while Westlake had 14, but the local club squeaked past the lunchmen, 9 to 8.

Angelo Marracini chucked for the Westlakers in the wild set-to. Fosters tied the contest up in the sixth frame, 6 to 6, but could never overtake the Homes crew.

Marracini pitched the entire game, with the exception of one-third of the ninth inning, when Craddick came in, tossed one pitch and retired the side after the batter popped up.

Leading the Westlake batting was Darryl Smith, left fielder, who got four for five, two of them triples. Rich Lampe pounded out three hits in as many attempts, while Ralph Gentile got three for four.

Short stop Joe Blea got a home run for the Westlakers.

Friday's opening league contest against Syl's Service was a pitching battle, as Westlake's Lampe gave up only four hits, striking out 16 batters, but lost, 4 to 1. Westlake got a total of three hits.

The contest was tied, 1 to 1, in the fourth inning, but Syl's moved ahead on one run in the fifth and added two in the ninth.

Army Stations Findlay As Gunner In Germany

Private First Class Alexander Findlay Jr., 21, is stationed as an assistant gunner in Company G of the 1st Infantry Division's 16th Regiment in Germany.

Findlay's home is at 249 Woodrow street here where he lives with his parents, Mr. and Mrs. Alex Findlay. Young Findlay entered the army in February, 1953, and arrived overseas last September.

Local Baseball League Features High Scoring

Daly City Midgets, Broadmoor Yanks Deadlocked In Summer Midget Circuit

The third round of the Summer Baseball Midget league has the smooth running Daly City Midgets all tied up with the powerful Broadmoor Yankees. Each Team has won its three first games. In close contention for the league league is the Sharp Park No. 1 team with two wins and one loss. In third place is the Broadmoor Giants, followed by the Broadmoor Eagles and Sharp Park No. 2.

Tuesday's game saw the powerful Daly City Midgets win a lop-sided victory over the Sharp Park No. 2, 26-0. Leading hitter for the twilight contest was George Claus who got a home run, double and single in three trips. Other sluggers were Mike Royal, Barry Krohn, Rich Morales, Billy Kane, Jim Kollman, Jimmy Fair, Bell Ellis and Paul Green.

The feature contest of the evening saw the Broadmoor Yankees whip the stubborn Broadmoor Giants 18-7. This game was a nip and tuck affair until the fourth inning when the Yankees started hitting in the clutch. Batting leader in this game was Ron Townsend who got a home run, triple, double and a walk in three trips. Also for the Yankees, getting one or more hits was Bruce Hix, seven year old pitcher, Glen Hilton, Bill Hix, John Hess, Dave Dugan, Wayne Moon, Mike Goetz, Don Wolfinger.

In the third contest, second place Sharp Park No. 1 battled to a 9-3 win over the Broadmoor Eagles.

Next games July 6, 6:15 p.m. at the high school:

Sharp Park No. 1 vs. Daly City Midgets.

Broadmoor Eagles vs. Broadmoor Giants.

Sharp Park No. 2 vs. Broadmoor Yankees.

Junior League

Because of wet grounds all games Saturday were cancelled and will be re-played at later dates. So far three games have been rescheduled.

In the Junior Baseball league division, a hustling Brisbane nine forged into the league leadership by virtue of its win over the Stomper A. C. 19-3. Brisbane collected a total of 19 runs on a total of 9 hits and four errors while the Stomper A. C. could only muster three runs on four hits. This Brisbane nine scored in every inning and in the fourth frame scored eight times on four hits and five walks.

Winning pitcher was Barry Haanen who struck out nine men and walked three. Leading batters were the classy left fielder, Jim Datzman with three for four and the strong arm shortstop, Don Anderson with two hits in three trips.

Little League

The second round of play in the Little league saw the underdog, Sartos No. 1 overtake the powerful Dees Associated, 7-2. Wildness on the part of pitcher John Vaughn who gave up ten walks in six innings hurt his cause. Bill Whalen, pitcher for Sartos No. 1 gave up four hits, struck out five and issued two walks. Bat leaders for Sartos No. 1 were Larry Kane and Pete Morales. Others who played were Ron Kalinin, Barry Krohn, Skip Crudo, Mike Kordonlas, John Torundo, George Claus and Billy Kane.

In the only other contest of the day Sartos No. 2 took a beating from the very strong Sharp Park Club, 20-3.

No games have been scheduled for the July 3 weekend due to the holiday.

SUMMER CAGE LEAGUE NOW IN FULL SWING

Delbon, Costello Rack Up 24 Apiece Tuesday

Highlighting Tuesday's "A" division play in the Summer Recreation Basketball league were the 24-point outbursts of Tom Costello and Don Delbon in the Lincoln Park-Brisbane contest.

Costello paced the Lincoln club, which won the contest, 53 to 36, while Delbon, ex-teammate of Costello at Jefferson high, shared high point honors as he led the Brisbane club.

In the "B" team play Tuesday Brisbane barely got by a highly-improved Lincoln Park squad, 31 to 30. Bob Wallace led Brisbane with seven digits, while Don Miller of Lincoln topped the evening's scoring with 11.

The Lincoln Park "B" outfit was less than impressive in their debut last Thursday, as they were dumped by Westmoor, 50 to 26. Lee Poston dropped through 21 markers to lead the Moors. High man for the losers was Miller with nine.

Westmoor's "A" team fared less well Thursday, as they dropped a 54-40 decision to Lincoln Park.

Long set shots by Costello and Darrell Hutchinson, plus drive-ins by Rich Watso pushed the Lincoln outfit into an early lead.

Midway in the third quarter Westmoor, spearheaded by John Madden, who controlled the backboards, closed the gap but couldn't sustain the drive long enough to overtake Lincoln.

Madden topped scoring for the night with 18, while Costello had 17 for the winners.

Johnson's Tamale Tops Spiders, 9-8

Westlake's Johnson Tamale nine, winners of the San Francisco Recreation department Spring "A" league, continued their winning ways last weekend as they edged the Spiders, 9 to 8.

Victory looked a long way off for the Westlakers until the seventh and eighth innings, when they amassed a total of seven runs in two frames.

Johnson pitcher Chuck Maynard entered the contest in the fourth inning with his club behind, 8 to 2. He squelched a Spider rally and went on to get two hits himself, a triple and a double, to pace his team to the victory.

The tamale men will take on Clear Lake over the July 4 holidays.

WESTLAKE PARK ACTIVITY AT BARE MINIMUM

By the Rec. Department

With the field in a state of reconstruction, baseball activity was at a bare minimum at Westlake playground last weekend.

Most of the activity was taken up by basketball and tennis, with a weird new game being introduced by the Sarros—a combination of handball and tennis. Sonny Sarro became master of his own game with his brothers, Jimmy and Johnny, running a close second.

"Champ" Clark added to the local color with a brilliant red shirt, only one shade brighter than Sonny Sarro's.

Ernie Eisner, while not tending younger brother Kenny, dropped his baseball and mitt and replaced it with a soccer ball, a most worthy successor to his "handball?"

John and Jim McKenna gave their their most capable talents to basketball and baseball. We all agree that Jim looks much better without his glasses.

Watch for great things from Mr. Mitchell's baseball team which will soon be going full team as soon as the field is finished.

SUMMER SWIMMING CAMPAIGN AT JEFF DRAWS OVER 1500

The first campaign in Jefferson High school's summer swimming program comes to a close today with 321 children completing the 11-day introduction to swimming.

The youngsters have been attending half-hour classes each morning since June 21 and by today most of them are expected to be fairly proficient in the water, according to Mike Orlich, director of the program.

Next 11-day campaign starts Tuesday. There will be a total of five campaigns during the summer. In excess of 1500 youngsters are enrolled for the summer instruction.

In addition, 39 adults have signed for the class held each Wednesday night until July 21. The second adult class will commence July 28.

Automobile storage batteries evaporate more water in warm weather than in cool and therefore should be checked more frequently in summer, says the California State Automobile Association.

BIG GROUP REGISTERS FOR SPORTS

Approximately 150 children from this area registered on June 21 and 22 for archery and folk dance activities, according to James Mason, recreation department head.

The program has now been completed and the instructors will be at these locations:

Westlake—Monday and Wednesday, 1 p.m. to 4:30 p.m.

Jefferson Elementary — Monday and Wednesday, 9:30 a.m. to 12:30 p.m.

Crocker—Tuesday and Thursday, 9:30 a.m. to 12:30 p.m.

Jefferson Union — Friday, 9:30 a.m. to 12:30 p.m.

Marchbanks—Friday, 1 p.m. to 4:30 p.m.

Those who signed up at the Community Center are asked to report to Marchbank on Tuesday and Thursday from 1 p.m. to 4:30 p.m.

In the folk dance section some of the dances to be offered are as follows: "Road to the Isles," "Oklahoma Mixer," "Hokey Pokey," "La Raspa," "Virginia Reel," and "Korobuchka."

In the archery section, three of the special events will be a balloon shoot, a hunt shoot, and a clout shoot. Interested persons who have not registered may go to one of the above playgrounds on the day specified, and names may be added to the list.

WORST TIME OF DAY

Impatience to get home, weariness after the day's work and congestion of traffic make the hours from four to six o'clock p.m. the most dangerous of the day, says the California State Automobile Association. More than a sixth of all traffic fatalities occur in those two hours.
